

# Prytania

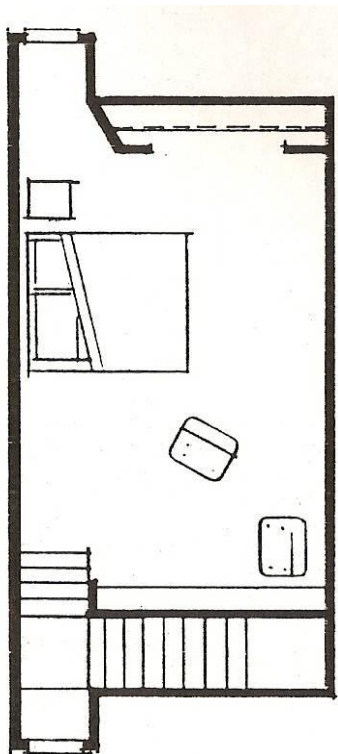

The “Prytania” comes in both the “Loft” and “Suite” designs. The suite version features a 24 by 14 foot double master suite with high ceilings and its own wood burning fireplace with antique-style mantle, whirlpool bath and dressing area. The rear deck provides a perfect setting for sunset cocktails overlooking the private rear patio surrounded by cream lattice fencing. The third floor bedroom in this 3 bedroom, 2 ½ bath residence is the perfect setting for your at-home office, exercise room or children’s playroom. The first floor entertaining area boasts a formal entry leading to a living room with brick fireplace, a light-filled dining room, gourmet kitchen, powder room and adjacent attached garage.
