ALLOCATION OF LIABILITY:

The contracts herein cover mutually exclusive perils. The maximum limit of liability is not to exceed the per occurrence participation stated herein, regardless of whether multiple perils and multiple contracts are involved. Recognition of liability by either of the contracts reduces the limit of liability of any corresponding contract.

The liability otherwise determined to exist under the terms and conditions of this policy shall be borne by the contract covering the proximate cause of loss identified in the allocation of security. Any loss covered by the policy by a peril not allocated to a contract herein shall be borne by the contract covering the most comprehensive perils, generally in accordance with the ISO Special Causes of Loss Contracts. The liability of the policy shall not be increased or decreased by any condition of the allocation to specific contracts on this endorsement.

Covered perils shall be defined by the applicable forms attached to this policy or otherwise as per the industry standard definition.

2) 2.0% of the **TIV** at each **Building** or structure or outdoor property, subject to a minimum deductible of \$25,000 any one **Occurrence**; as respects **Locations** in:

All Locations, as per Statement of Values on file with the Program Manager

Hurricane deductible shall be subject to a maximum of \$895,615 per occurrence and annual aggregate; after exhaustion, a \$25,000 per occurrence deductible applies.

5. The following five paragraphs (a - e) apply to Paragraphs D.1. through D.4., inclusive:

a. **TIV** at each **Location** shall mean the sum of all reported values for Real Property, Personal Property, Time Element, and any other values for that scheduled **Location**, as per the Statement of Values on file with the Program Manager.

When this Policy covers more than one Location, the deductible shall apply against the total loss or damage covered by this Policy in any one Occurrence, unless otherwise stated in this Paragraph D.
- d. If two or more peril deductible amounts provided in this Policy apply to a single Occurrence, the total to be deducted shall not exceed the largest deductible applicable, unless otherwise stated in this Policy. However, if a Time Element deductible and another deductible apply to a single occurrence, then the Companies shall apply both deductibles to the Occurrence.
- e. In the event the Deductible is "per Building" and, at the time of loss, the values shown on the Statement of Values on file with the Program Manager are not individually stated for each Building, Structure, Business Personal Property, or Time Element at each Location, the following shall apply to determine the breakdown of values (Building, Business Personal Property and Time Element) for each Building:
 - 1) The value for each Building and structure will be determined by multiplying the total reported Buildings and Structures value for that Location by the proportion that the square footage of the individual Building or Structure bears to the total square footage reported for all Buildings and Structures for that Location.
 - 2) The value for Business Personal Property for each Building will be determined by multiplying the total reported Business Personal Property value for that Location by the proportion that the square footage of the individual Building and Structure for that Location bears to the total square footage reported for all Buildings and Structures for that Location.
 - 3) The value for the Business Income or Loss of Rents for each Building will be determined by multiplying the total reported Business Income or Loss of Rents for that Location by the proportion that the rentable square footage of the individual Building or Structure for that Location bears to the total rentable square footage reported for all Buildings and Structures for that Location.

The Insured may elect to rebuild on another site, provided that, such rebuilding does not increase the amount of loss or damage that would otherwise be payable to rebuild at the same site. However, if the property is not repaired, rebuilt or replaced as soon as reasonably possible after the loss or damage, the value of the property will be determined on an **Actual Cash Value** basis. In the event the Insured elects to have the loss or damage settled on an **Actual Cash Value** basis, the Insured may still make a claim on a replacement cost basis, provided the Insured notifies the Companies within 180 days after the loss or damage.

If the **Electronic Data and Media** is not repaired, replaced or restored, the basis of valuation shall be the cost of the blank media. However, this Policy does not insure any amount pertaining to the value of such **Electronic Data and Media** to the Insured or any other party, even if such **Electronic Data and Media** cannot be recreated, gathered or assembled.
- F. Jigs and fixtures, dies, small tools, patterns, employees' personal property and personal property of third parties: the replacement cost if replacement cost values have been reported to the Companies and if actually replaced; otherwise the **Actual Cash Value**, but not to exceed the cost to repair or replace the property with material of like kind and quality.

- b. Divide the amount determined in Subparagraph a. above by the number of days from the installation of improvements to the expiration of the lease.

If the Insured's lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure; or

3. Nothing, if others pay for repairs or replacement.

H. Fine Arts:

1. If there is no Agreed Value Schedule on file with the Program Manager, then the lesser of:
 - a. The cost to repair or replace the fine art, or

2. If there is an Agreed Value Schedule on file with the Program Manager, then the Agreed Value Schedule shall be used.
3. If a Fine Arts article is part of a pair or set, and a physically damaged article cannot be replaced, or cannot be repaired or restored to the condition that existed immediately prior to the loss, the Companies will be liable for the lesser of the full value of such pair or set or the Agreed Value, as per the schedule on file with the Program Manager. The Insured will surrender the pair or set to the Companies.

I. Accounts Receivable: the amount owed the Insured which the Insured is unable to collect from customers, and shall include:

1. Any collection expenses over and above the normal collection costs;
2. Interest charges on any loan to offset impaired collections pending repayment of such sums that cannot be collected; and
3. Other reasonable and necessary expenses incurred by the Insured to recreate Accounts Receivable Records.

Unearned interest and service charges on deferred payment accounts and normal credit losses on bad debts shall be deducted in determining the recovery hereunder.

After payment of loss by the Companies, all amounts recovered by the Insured on Accounts Receivable for which the Insured has been paid will belong to and will be paid to the Companies by the Insured up to the total amount of loss paid by these Companies. All recoveries in excess of such amounts will belong to the Insured.

In the event it is possible to reconstruct the Insured's Accounts Receivable Records after they have been physically lost or damaged, so that no shortage in collection of Accounts Receivable is sustained, the Companies shall only be liable for the costs of the material and the time required to reconstruct such records, with the exercise of due diligence and dispatch, but only to the extent that such amounts are not covered by any other insurance.

J. Property for Sale: If, at the time of the loss, any real property is being offered for sale, the loss or damage to such property will be valued at the lesser of:

1. The cost to repair or replace the damaged property, or
2. The price at which the property is offered for sale less the market value of the **Land**.

- K. Property in Transit: In case of loss, the basis of adjustment shall be:
1. Property shipped to or for the account of the Insured: the actual invoice to the Insured, together with such costs and charges as may have accrued and become legally due on such property;
 2. Property which has been sold by the Insured and has been shipped to or for account of the purchaser (if covered hereunder): the amount of the Insured's selling invoice, including prepaid or advanced freight;
 3. Property of others not under invoice: the actual market value at the point of destination on the date of the **Occurrence**, less any charges saved which would have become due and payable upon delivery at destination; or
 4. Property of the Insured not under invoice: valued in accordance with the valuation provisions of this Policy applying at the location from which such property is being transported, less any charges saved which would have become due and payable upon delivery at such destination.
- L. Contractor's equipment and vehicles (if covered): **Actual Cash Value**, unless an agreed value applies.
- M. Catalyst: **Actual Cash Value**.
- N. Historic Building Replacement Cost: As respects buildings that are declared and designated by a local, state or federal authority to be of historical significance or of historic value, such rebuilding, repairing or replacement shall be with material, workmanship, processes, technologies and designs publicly available within the current marketplace that most closely resemble those that existed before the loss or damage occurred and are based on the most reasonable cost available at the time the loss occurred, and shall not include the cost of creating outdated, archaic or antiquated materials, workmanship, processes, technologies or designs. In no event shall the loss exceed the scheduled limit on the damaged Building.
- O. For all other property: At replacement cost if actually replaced; otherwise, the **Actual Cash Value**, but not to exceed the cost to repair or replace the property with material of like kind and quality.

With respect to Subparagraphs A. through O., inclusive, unless otherwise specifically stated, the Companies will compute the valuations at the time and place of the loss.

SECTION V – TIME ELEMENT COVERAGE GROSS EARNINGS

This Policy is extended to cover the actual loss sustained by the Insured during the Period of Interruption directly resulting from a Covered Cause of Loss to Covered Property.

- A. **ACTUAL LOSS SUSTAINED:** In the event the Insured is prevented from producing goods or from continuing its business operations or services and is unable:
1. To make up lost production within a reasonable period of time (not to be limited to the period during which production is interrupted), or
 2. To continue business operations or services,

all through the use of any property or service owned or controlled by the Insured, or obtainable from other sources, whether the property or service is at an insured **Location** or through working extra time or overtime at any other substitute location(s), including any other location(s) acquired for the purpose, then the Companies shall be liable, subject to all other conditions of this Policy not inconsistent herewith, for the actual loss sustained of the following during the Period of Interruption:

1. GROSS EARNINGS less all charges and expenses which do not necessarily continue during the interruption of production or suspension of business operations or services. For the purpose of this coverage, GROSS EARNINGS means:
 - a. For manufacturing operations: The net sales value of production less the cost of all raw stock, materials and supplies utilized in such production; or
 - b. For mercantile or non-manufacturing operations: The total net sales less cost of merchandise sold, materials and supplies consumed in the operations or services rendered by the Insured;
 - c. Plus all other earnings derived from the operation of the business.

In determining net sales, in the event of loss hereunder, for mercantile or non-manufacturing operations, any amount recovered under Property Damage policies for loss or damage to or destruction of merchandise shall be included as though the merchandise had been sold to the Insured's regular customers.

In determining the amount of loss payable under this coverage, due consideration shall be given to the experience of the business before the Period of Interruption and the probable experience thereafter had no loss occurred, and to the continuation of only those normal charges and expenses, including payroll (subject to the Ordinary Payroll restriction below), that would have existed had no interruption of production or suspension of business operations or services occurred.

There is no coverage for any portion of the Insured's Ordinary Payroll expense, unless a specified number of days for Ordinary Payroll are shown elsewhere and values have been included in the reported Time Element Values. In such case, the Companies will pay Ordinary Payroll for that number of days only. The number of days need not be consecutive, but must fall within the interruption of production or suspension of business operations or services, or fall within the extension of that period, if an extension is provided. Ordinary Payroll means the entire payroll expense for all employees of the Insured except officers, executives, department managers, employees under contract, and other essential employees.

2. EXPENSE TO REDUCE LOSS: Expenses, over and above normal operating expenses, necessarily incurred by the Insured in making up lost production or in reducing loss otherwise payable under this coverage are covered hereunder, but in no event shall these Companies be liable for an amount greater than that for which it would have been liable had the Insured been unable to make up any lost production or to continue any business operations or services.

B. PERIOD OF INTERRUPTION: In determining the amount payable under this coverage, the Period of Interruption shall be:

1. The period from the time of physical loss or damage insured against by this Policy to the time when, with the exercise of due diligence and dispatch, either:
 - a. normal operations resume; or
 - b. physically damaged buildings and equipment could be repaired or replaced and made ready for operations under the same or equivalent physical and operating conditions that existed prior to such loss or damage,

whichever is less. Such period of time shall not be cut short by the expiration or earlier termination date of the Policy.

2. In addition, if applicable, such time as may be required with the exercise of due diligence and dispatch:
 - a. To restore stock in process to the same state of manufacture in which it stood at the time of the initial interruption of production or suspension of business operations or services; or

- b. To replace physically damaged or destroyed mercantile stock necessary to resume operations; or
- c. To replace raw materials and supplies in order to continue operations.

However, the inability to procure destroyed mercantile stock or suitable raw materials and supplies to replace similar stock or materials and supplies physically damaged or destroyed shall not increase the Period of Interruption.

- 3. For Property under construction: The time period between the anticipated date of substantial completion had no covered loss occurred and the actual date of completion. In calculating the amount of loss, due consideration will be given to the actual experience of the business compiled after substantial completion and start-up.

The Period of Interruption does not include any additional time:

- a. Required for re-staffing or re-training employees; or
- b. Due to the Insured's inability to resume operations for reasons other than those enumerated in B.2.a. through B.2.c., inclusive, above; or
- c. Required for making change(s) to the buildings, structures, or equipment for any reason except as provided in the Ordinance or Law coverage, if such coverage is provided by this Policy.

C. ADDITIONAL TIME ELEMENT COVERAGES

- 1. **EXTRA EXPENSE/EXPEDITING EXPENSE:** This Policy is extended to cover the loss sustained by the Insured for Extra Expense during the Period of Interruption resulting from direct physical loss or damage from a Covered Cause of Loss to Covered Property utilized by the Insured. Extra Expense means:
 - a. The reasonable and necessary extra expense incurred to temporarily continue as nearly normal as practicable the conduct of the Insured's business;
 - b. The reasonable and necessary extra costs of temporarily using property or facilities of the Insured or others; and
 - c. The reasonable extra costs (expediting expenses) for temporary repair of damaged property and for expediting the permanent repair or replacement of such damaged property. This includes overtime wages and extra costs of express or other rapid means of transportation. This does not include expenses recoverable elsewhere under this policy.

The Insured agrees to use any suitable property or service owned or controlled by the Insured or obtainable from other sources in reducing the Business Income and Extra Expense incurred under this Policy.

- 2. **RENTAL VALUE:** As respects Covered Property held for rental to others, this Policy is extended to cover the loss sustained during the Period of Interruption, but not exceeding the reduction in Rental Value less charges and expenses which do not necessarily continue.

Rental Value means the sum of:

- a. The total anticipated gross rental income from tenant occupancy of the described property as furnished and equipped by the Insured including taxes, rent based on percentage of sales, and other charges paid by tenants in respect of the leased premises; and
- b. The amount of all charges which, by the terms of a written lease, are the legal obligation of the tenant(s) and which would otherwise be obligations of the Insured; and

c. The fair rental value of any portion of such property which is occupied by the Insured.

Due consideration will be given to the historic rental expenses prior to the loss and the probable expenses thereafter.

3. ROYALTIES: This Policy is extended to cover loss of income sustained by the Insured under a royalty, licensing fee, or commission agreement between the Insured and another party during the Period of Interruption arising out of direct physical loss or damage by a Covered Cause of Loss during the term of this Policy to real or personal property of such other party, only if such Royalties are shown as such on the Statement of Values on file with the Program Manager. When determining the amount payable, the Companies will consider the amount of income derived by the Insured from such agreements before, and the probable amount of income after, the date of loss or damage.
4. SOFT COSTS (BUILDER'S RISK): For Property under Construction, this Policy is extended to cover Soft Costs incurred by the Insured during the Period of Interruption (described in Paragraph B. above). Such Soft Costs must be the result of direct damage from a Covered Cause of Loss.

The Companies will pay reasonable and necessary Soft Costs over and above those costs which would have been incurred by the Insured during the Period of Interruption had no loss occurred. Soft Costs means:

- a. The amount of actual interim or construction financing interest, including loan fees and other one-time charges incurred to negotiate a new construction loan and/or extend the existing one;
 - b. Realty taxes and ground rent, if any;
 - c. Advertising and promotional expenses;
 - d. Cost of additional commissions;
 - e. Architects, surveyors, legal, consulting engineers, accounting, licenses, permits, or other fees not otherwise covered by this Policy;
 - f. Project administration expense, but not including development fees;
 - g. Insurance premiums;
 - h. Founder's fee refunds; and
 - i. Net Business Income or Net Rental Income.
5. CONTINGENT TIME ELEMENT: If direct physical loss or damage to the real or personal property of a direct supplier or direct customer of the Insured is damaged by a Covered Cause of Loss under this Policy, and such damage:
 - a. wholly or partially prevents any direct supplier to the Insured from supplying their goods and/or services to the Insured; or
 - b. wholly or partially prevents any direct customer of the Insured from accepting the Insured's goods and/or services;

then this Policy is extended to cover the actual loss sustained by the Insured during the Period of Interruption with respect to such real or personal property. The property of the supplier or customer which sustains loss or damage must be of the type of property which would be Covered Property under this Policy.

This coverage applies to the Insured's direct suppliers or direct customers located in the Policy's Coverage Territory.

6. **INTERRUPTION BY CIVIL OR MILITARY AUTHORITY:** This Policy is extended to cover the actual loss sustained during the period of time when access to the Insured's covered **Location** is prohibited by an order of civil or military authority, provided that such order is a direct result of a Covered Cause of Loss to real property not insured hereunder. The insured physical loss or damage must occur within five (5) statute miles from the Insured's covered **Location** in order for coverage to apply. Such period of time begins with the effective date of the order of civil or military authority and ends when the order expires, but no later than the number of days shown elsewhere.

With respect to Additional Time Element Coverages 6. & 7., if a Covered Cause of Loss results in coverage under both Additional Time Element Coverages, the Companies will only pay for loss under one of the two Additional Time Element Coverages, whichever the First Named Insured selects.

7. **INGRESS & EGRESS:** This Policy is extended to cover the actual loss sustained during the period of time when ingress to or egress from the Insured's covered Location is prohibited as a direct result of a Covered Cause of Loss to real property not insured hereunder. The insured physical loss or damage must occur within five (5) statute miles from the Insured's covered **Location** in order for coverage to apply. Such period of time begins on the date that ingress to or egress from real or personal property is prohibited and ends when ingress or egress is no longer prohibited, but no later than the number of days shown elsewhere.

With respect to Additional Time Element Coverages 6. & 7., if a Covered Cause of Loss results in coverage under both Additional Time Element Coverages, the Companies will only pay for loss under one of the two Additional Time Element Coverages, whichever the First Named Insured selects.

8. **INTERDEPENDENCY:** This Policy is extended to cover a Time Element loss at an insured **Location** that involves interdependency at one or more other insured **Locations**, all within the Policy's Coverage Territory. The loss, including the resulting interdependency loss, will be adjusted based on the Time Element coverage that applies at the insured **Location** where the covered physical loss or damage occurred.

9. **EXTENDED PERIOD OF INDEMNITY:** Coverage is provided for such additional length of time as is required to restore the Insured's business to the condition that would have existed had no loss occurred, commencing with the later of the following dates:

- a. the date on which the liability of the Companies for loss or damage would otherwise terminate; or
- b. the earliest date on which either normal operations resume, or repair, replacement, or rebuilding of the property that has been damaged is actually completed;

but in no event for a period of time exceeding the number of days specified elsewhere starting with the later of a. or b. above. This Extended Period of Indemnity does not apply to any Additional Time Element Coverages, except RENTAL VALUE (Par. 2. above) or SOFT COSTS (BUILDER'S RISK) Net Business Income or Net Rental Income (Par. 4.i. above).

This additional coverage does not include coverage for any increase in loss due to fines or damages for breach of contract or for late or non-completion of orders, or penalties of any nature.

D. ADDITIONAL EXCLUSIONS: Section V – Time Element Coverage does not cover:

1. **IDLE PERIODS** - Any loss during any period in which goods would not have been produced, or business operations or services would not have been maintained, for any reason other than physical loss or damage from a Covered Cause of Loss to which this coverage applies.

2. REMOTE LOSS –

- a. Any increase in loss due to the suspension, cancellation, or lapse of any lease, contract, license or order; or
- b. Any loss due to fines or damages for breach of contract or for late or non-completion of orders or penalties of whatever nature; or
- c. Any increase in loss due to interference at the Insured's premises by strikers or other persons with rebuilding, repairing, or replacing the property damaged or destroyed, or with the resumption or continuation of business, or with the re-occupancy of the premises.

Nor shall the Companies be liable for any other consequential or remote loss, other than as specifically provided in this Section V.

3. FINISHED PRODUCTS - Any loss resulting from loss or damage to finished products manufactured by the Insured nor for the time required for their reproduction.
4. TRANSIT - Any loss resulting from loss or damage to property in transit.
5. BERTH AND/OR PORT BLOCKAGE – Blockage means a blockage of any part of the ship channel, dock areas, port or berths caused by disabled, stranded or sunken vessels, or rigs or cargo, or other obstructions to navigation.

E. TIME ELEMENT MONTHLY LIMITATION OF INDEMNITY: The Companies shall not be liable for more than the Monthly Limitation of Indemnity shown elsewhere. This Monthly Limitation Of Indemnity shall apply to all Time Element coverages, except those that have a sublimit.

Time Element Monthly Limitation means the most the Companies will pay monthly for a Time Element loss sustained by the Insured during the Period of Interruption directly resulting from a Covered Cause of Loss to Covered Property. This Monthly Limitation of Indemnity is payable for each period of 30 consecutive days after the beginning of the Period of Interruption and is calculated by multiplying the scheduled Time Element value by the fraction shown elsewhere.

SECTION VI – ADDITIONAL COVERAGES

The following additional coverages are subject to the terms and conditions of this Policy, including the deductibles and sublimits of liability corresponding to each such additional coverage stated in the Compass Supplemental Declarations. These sublimits are part of, and not in addition to sublimits and limits of liability of this Policy, including, but not limited to, the **Earth Movement, Flood, or Named Storm** Sublimits of Liability provided herein, if applicable.

A. ACCOUNTS RECEIVABLE: This Policy covers any shortage in the collection of Accounts Receivable directly resulting from a Covered Cause of Loss to Accounts Receivable Records.

This extension of coverage does not apply to loss due to:

1. Bookkeeping, accounting or billing errors and omissions; and
2. Alteration, falsification, manipulation, concealment, destruction, or disposal of Accounts Receivable Records committed to conceal the wrongful giving, taking, obtaining or withholding of money, securities or other property, but only to the extent of such wrongful giving, taking, obtaining or withholding.

B. DEBRIS REMOVAL: This Policy covers the necessary and reasonable expense of removal from the insured **Locations** of debris of Covered Property or property of others remaining as a result of direct physical loss or damage insured against under this Policy that occurs during the policy period when the Insured gives written notice of such direct physical loss or damage to the Companies, but no later

than 180 days after the loss. There is no liability for the expense of removing contaminated or polluted uninsured property, nor the **Pollutants or Contaminants** therein or thereon, whether or not the contamination results from an insured event.

- C. **ELECTRONIC DATA AND MEDIA:** This Policy is extended to cover direct physical loss or damage to **Electronic Data and Media**.
- D. **ERRORS OR OMISSIONS:** This Policy is extended to cover direct physical loss or damage at **Locations** within the Coverage Territory that are owned, leased or operated by the Insured or any property at an insured **Location**, if such loss or damage is not payable under this Policy solely due to:
1. Any error or unintentional omission in the description of the address of the property whether made at the inception of the policy period or subsequent thereto; or
 2. Failure through any error or unintentional omission to:
 - a. Include any **Location** of the Insured or any property at an insured **Location**, at the inception of the Policy; or
 - b. Report any newly acquired location or property before the period of automatic coverage provided under this Policy for Newly Acquired Location(s) expires.

With respect to Subparagraphs 1. and 2. above, this Errors or Omissions Additional Coverage does not allow the Insured or its representative to correct any value shown in the Statement of Values on file with the Program Manager.

This Policy covers such direct physical loss or damage, to the extent it would have provided coverage had such error or unintentional omission not been made.

It is a condition of this additional coverage that any error or unintentional omission be reported by the Insured to the Companies when discovered and an additional premium be paid, as determined by the Companies.

There is no coverage under this Paragraph for loss or damage which is covered under the Newly Acquired Property or **Miscellaneous Unnamed Locations** provisions of this Policy.

- E. **FINE ARTS:** This Policy is extended to cover direct physical loss or damage to **Fine Arts**. However, no coverage is provided for:
1. Breakage, marring, scratching, chipping or denting; unless such breakage, marring, scratching, chipping or denting is caused by a **Defined Cause of Loss**; or
 2. Physical loss or damage as a result of restoring, repairing or retouching processes.
- F. **FIRE BRIGADE CHARGES AND EXTINGUISHING EXPENSES:** This Policy covers the following expenses resulting from a Covered Cause of Loss:
1. Fire brigade charges and any extinguishing expenses which the Insured incurs;
 2. Loss and disposal of fire extinguishing materials expended.

There is no coverage for any costs incurred as a result of a false alarm.

- G. **LEASEHOLD IMPROVEMENTS & BETTERMENTS:** This Policy is extended to cover the value of undamaged tenant's improvements and betterments when the Insured's lease is cancelled by the lessor; acting under a valid condition of the lease due to direct physical loss or damage to building or personal property caused by or resulting from a Covered Cause of Loss at an insured **Location**. No sublimit of liability applies to this additional coverage, but in no event will the Companies be liable for an amount in excess of the applicable sublimit of liability specified for the Leasehold Interest, if any.

- H. LEASEHOLD INTEREST: If Covered Property is: (1) rendered wholly or partially untenantable by a Covered Cause of Loss during the Policy period and (2) the Insured's lease is canceled by a party, other than the Named Insured, or an entity with any common ownership of the Named Insured, in accordance with the conditions of the lease or as a result of a statutory requirement of the appropriate jurisdiction in which the damaged or destroyed Covered Property is located, then this Policy is extended to cover "The Interest of the Insured as Lessee" (as defined below) or "The Interest of the Insured as Lessor" (as defined below), whichever is applicable, but only for the first three months succeeding the date of the loss and the "Net Lease Interest" (as defined below) shall be paid for the remaining months of the unexpired lease.

Recovery under this additional coverage shall be the pro-rata proportion from the date of loss to expiration date of the lease (to be paid without discount) on the Insured's interest in:

1. The amount of bonus paid by the Insured for the acquisition of the lease not recoverable under the terms of the lease;
2. Improvements and betterments to real property which are not covered under any other section of this Policy; and
3. The amount of advance rental paid by the Insured and not recoverable under the terms of the lease.

Definitions: The following terms, wherever used in this Paragraph H. shall mean:

1. The Interest of the Insured as Lessee is defined as:
 - a. the excess of the rental value of similar premises over the actual rental payable by the lessee (including any maintenance or operating charges paid by the lessee) during the unexpired term of the lease; and
 - b. the rental income earned by the Insured from sublease agreements, to the extent not covered under any other section of this Policy, over and above the rental expenses specified in the lease between the Insured and the lessor.
2. The Interest of the Insured as Lessor is defined as the difference between the rents payable to the lessor under the terms of the lease in effect at the time of loss and the actual rent collectible by the lessor during the unexpired term of the lease provided the lease is canceled by the lessee, to the extent not covered under any other section of this Policy.
3. Net Lease Interest is defined as that sum, which placed at 6% interest compounded annually will be equivalent to The Interest of the Insured as Lessee or Lessor.

The Companies shall not be liable for any increase of loss which may be occasioned by the suspension, lapse or cancellation of any license or by the Named Insured exercising any option to cancel the lease. Furthermore, the Named Insured shall use due diligence, including all things reasonably practicable, to diminish loss under this additional coverage.

- I. LIMITED POLLUTION COVERAGE: This Policy is extended to cover the reasonable and necessary additional expense incurred to remove, dispose of, or clean-up the actual presence of **Pollutants or Contaminants** from **Land** or water at an insured **Location** when such **Land** or water is contaminated or polluted due to a Covered Cause of Loss that occurs during the policy period. There will be no coverage unless such expenses are reported to the Companies within 180 days of the date of direct physical loss or damage.
- J. LOCK REPLACEMENT: This policy covers the necessary expense to repair or replace the exterior or interior door locks of a covered **Building**:
1. If the door keys are stolen in a covered theft loss; or
 2. When the covered property is damaged and the door keys are stolen by burglars.

K. **NEWLY ACQUIRED PROPERTY:** This Policy covers real or personal property of the type insured under this Policy for the perils insured under this Policy that is rented, leased, or purchased by the Insured after the inception date of this Policy. Coverage under this additional coverage ceases at the earlier of the following dates:

1. See Compass Supplemental Declarations from the date of acquisition or lease of such property; or
2. When the newly acquired location is bound by the Companies; or
3. The Program Manager notifies the Insured that it will not bind the newly acquired location.

There is no coverage for any property that is partially or wholly insured under any other insurance.

There is no coverage under this Paragraph for loss or damage which is covered under the Error or Omissions or **Miscellaneous Unnamed Locations** provisions of this Policy.

L. **ORDINANCE OR LAW:** In the event of direct physical loss or damage under this Policy that results in the enforcement of any law, ordinance, governmental directive or standard in effect at the time of loss or damage regulating the construction, repair or use and occupancy of the property, the Companies shall pay:

1. Coverage A: For the loss in value of the undamaged portion of the building as a consequence of enforcement of an ordinance or law that requires demolition of undamaged parts of the same building.
2. Coverage B: For the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of enforcement of an ordinance or law that requires demolition of such undamaged property.
3. Coverage C: For the increased cost of repair or replacement of the damaged and undamaged Building on the same or another site, limited to the cost that would have been incurred in order to comply with the minimum requirements of such law or ordinance regulating the repair or reconstruction of the damaged property on the same site. However, these Companies shall not be liable for any increased cost of construction loss unless the damaged property is actually rebuilt or replaced.
4. Coverage D: For the additional loss in Time Element (if covered), that the Insured sustains during the increased period of suspension of operations caused by or resulting from a consequence of enforcement of an ordinance or law.
5. Coverage E (Down-Zoning): In the event the enforcement of an applicable Ordinance or Law results in the requirement to demolish and not replace the damaged Building(s), the Companies agree to pay the greater of: a) the Actual Cash Value; or b) the outstanding loan balance including accrued fees, if applicable, as determined at the time of loss for the **Building(s)** not permitted to be rebuilt.

In the event the damaged **Building(s)** is permitted to be repaired or rebuilt, but only to a more limited extent as a consequence of the enforcement of any applicable Ordinance or Law, the Companies agree to pay: a) Replacement Cost for the repair of or construction of the permitted structure(s); and b) Actual Cash Value for the incremental portion of the original building that is not permitted to be repaired or replaced.

Loss of Rents (if covered) shall include rents for those units that are unable to be rebuilt due to an Ordinance or Law Down-Zoning. Loss of Rents for those units not rebuilt due to Down-Zoning shall cease no later than the number of days as granted by the Extended Period of Indemnity

Coverage under this clause does not increase the applicable scheduled Limit of Insurance for the damaged **Building(s)**.

The Companies shall not be liable for any cost of demolition or increased cost of reconstruction, repair, debris removal or loss of use (including Time Element) necessitated by the enforcement of any law or ordinance regulating any form of contamination or pollution.

- M. **PAIRS OR SETS:** If two or more components or parts are necessary for a whole or complete product, then this Policy covers the reduction in value of insured components or parts of products due to direct physical loss or damage insured against by this Policy to the other insured components or parts of such products.
- N. **PROFESSIONAL FEES:** This Policy is extended to cover reasonable and necessary "Claim Preparation Costs" (as defined below) incurred by the Insured at the request of the Companies for the purpose of determining the extent or amount of insured loss or damage as a result of a Covered Cause of Loss under this Policy, provided that, the Insured obtains the prior written approval of the Companies for the vendor to be engaged by the Insured.

Claim Preparation Costs means:

1. The cost of taking inventory and the cost of gathering and preparing other data to substantiate the extent or amount of loss or damage; and
2. The cost of services provided by accountants, contractors and engineers solely for the purpose of determining the extent or amount of loss.

Claim Preparation Costs does not mean and does not include:

1. Legal fees, charges and expenses;
 2. Fees and costs of a public claims adjuster, claim consultant, insurance broker or agent (except forensic accounting services), or any person acting for or on behalf of a public claims adjuster, claim consultant, or insurance broker or agent;

 4. Costs associated with establishing that any claim or part of a claim is covered by the Policy; or
 5. Costs which represent overhead or operating expense of any Insured, including salaries of such Insured's employees.
- O. **PROPERTY REMOVED FROM INSURED LOCATIONS:** This Policy covers direct physical loss or damage to personal property of the Insured by a Covered Cause of Loss at any **Location** within the Coverage Territory when such personal property is removed from the insured **Locations** for the purpose of being repaired or serviced, excluding:
1. Personal property insured under another policy or floater;
 2. Personal property excluded under this Policy; or
 3. Personal property removed from the insured **Locations** for normal storage or processing or preparation for sale or delivery.
- P. **REWARD REIMBURSEMENT:** This Policy covers monetary rewards for information that leads to a criminal conviction in connection with loss or damage to covered property by a Covered Cause of Loss.
- Q. **SERVICE INTERRUPTION:** This Policy is extended to cover the loss or damage to Covered Property and Time Element (provided Time Element values are reported) resulting from direct

physical loss or damage from a Covered Cause of Loss to: (1) incoming electrical, gas, water and telecommunication equipment and outgoing sewer; or (2) electrical, telecommunication, fuel, water, steam, refrigeration, or other service transmission lines; all situated outside the insured **Locations**.

However, this extension of coverage DOES NOT apply to any loss caused by damage to any utility service listed in (1) or (2) above, if located more than five (5) statute miles from the Insured's covered **Location**.

There shall be no loss payable under this Additional Coverage unless the interruption exceeds the qualifying period shown elsewhere. In such case, the loss shall be measured from date and time of the loss. With respect to any Time Element Coverage provided herein, the Period of Interruption ends when: (1) incoming electrical, gas, water, or telecommunication equipment or outgoing sewer or (2) electrical, telecommunication, fuel, water, steam, refrigeration, or other service transmission lines, is restored.

The Sublimit shown elsewhere applies to all loss or damage to Covered Property and/or Time Element Coverage, combined arising out of one Service Interruption. None of the additional Time Element Coverages set forth in Section V.C. apply to the Time Element Coverage provided herein, except Rental Value.

R. SPOILAGE: This policy is extended to cover spoilage as a direct result of a Covered Cause of Loss and subject to the additional exclusions listed below. The Companies shall be liable for direct physical loss or damage to:

1. Perishable goods due to spoilage;
2. Perishable goods due to contamination from the release of refrigerant, including but not limited to ammonia;
3. Perishable goods due to spoilage caused by a Covered Cause of Loss to equipment that is owned by a utility, landlord, or other supplier of any of the following services: electrical power, communications, waste disposal, air conditioning, refrigeration, heating, gas, air, water or steam.

If the Insured is unable to replace the perishable goods before its anticipated sale, payment will be determined on the basis of the sales price of the perishable goods at the time of the loss, less discounts and expenses that otherwise would have been incurred. Otherwise, payment will be determined in accordance with the Valuation provision of this Policy.

Perishable Goods means personal property:

1. maintained under controlled conditions for its preservation, and
2. susceptible to loss or damage if the controlled conditions change.

Additional Exclusions: The Companies shall not be liable for loss or damage caused by or resulting from:

1. The disconnection of any refrigerating, cooling or humidity control system from the source of power.
2. The deactivation of electrical power caused by the manipulation of any switch or other device used to control the flow of electrical power or current.

It is agreed that coverage under this extension shall include the following:

1. Personal property shipped to customers on F.O.B., C&F, or similar terms. The Insured's contingent interest in such shipments is admitted.

2. The interest of the Insured in, and legal liability for, personal property of others in the actual or constructive custody of the Insured.
3. Personal property of others sold by the Insured which the Insured has agreed prior to loss to insure during course of delivery.

It is agreed that the following additional exclusions apply to coverage as provided under this additional coverage:

1. Property insured under import or export ocean cargo policies.
2. Waterborne shipments to and from the Policy's Coverage Territory.
3. Shipments made by air, unless via regularly scheduled airlines.
4. Property shipped by mail.
5. Property of others, including the Insured's legal liability therefor, hauled on vehicles owned, leased, or operated by the Insured when acting as a common or contract carrier as defined by the Interstate Commerce Commission Regulations or other state regulatory agencies.
6. Any transporting vehicle or conveyance.
7. Waterborne shipments via the Panama Canal, or waterborne to and from the United States territories or possessions, Alaska, Puerto Rico, and Hawaii.

This additional coverage attaches from the time the property leaves the original point of shipment for the commencement of transit and covers thereafter continuously in the due course of transit within the Policy's Coverage Territory until delivered at destination.

Coverage on export shipments not insured under ocean cargo policies does not extend beyond the time when the property is loaded on board overseas vessels or aircraft. Coverage on import shipments not insured under ocean cargo policies does not attach until after discharge from overseas vessels or aircraft.

This additional coverage does not cover or apply to delay, loss of market, or any Time Element coverage.

Permission is granted to the Insured without prejudice to this insurance to accept the ordinary bills of lading used by carriers, including released and/or undervalued bills of lading and/or shipping or messenger receipts. The Insured may waive subrogation against railroads under sidetrack agreements, but the Insured shall not enter into any special agreement with carriers releasing them from their common law or statutory liability.

- T. **VALUABLE PAPERS AND RECORDS:** This Policy is extended to cover **Valuable Papers and Records.**

SECTION VII – CONDITIONS

- A. **ABANDONMENT:** There can be no abandonment to the Companies of any property.
- B. **ADJUSTMENT OF LOSSES and FIRST NAMED INSURED CLAUSE:** Loss or damage shall be adjusted with and payable to the First Named Insured, subject to any Certificates of Insurance on file with the Program Manager which require payment to a loss payee or mortgagee.

If this Policy insures more than one entity, the First Named Insured is authorized to act on behalf of all other Insureds with respect to their rights, obligations and duties under this Policy. Payment of

loss or return premium under this Policy to the First Named Insured shall satisfy the Companies' obligations with respect to all Insureds.

- C. **ARBITRATION CLAUSE:** All matters in difference between the Insured and the Companies (hereinafter referred to as "the parties") in relation to this insurance, including its formation and validity, and whether arising during or after the period of this insurance, shall be referred to an Arbitration Tribunal in the manner hereinafter set out.

Unless the parties agree upon a single Arbitrator within thirty days of one receiving a written request from the other for Arbitration, the Claimant (the party requesting Arbitration) shall appoint his Arbitrator and give written notice thereof to the Respondent. Within thirty days of receiving such notice, the Respondent shall appoint his Arbitrator and give written notice thereof to the Claimant, failing which the Claimant may nominate an Arbitrator on behalf of the Respondent.

Should the Arbitrators fail to agree, they shall appoint, by mutual agreement only, an Umpire to whom the matter in difference shall be referred. If the Arbitrators cannot agree to an Umpire, either may request the selection be made by a judge of a New York court.

Unless the parties otherwise agree, the Arbitration Tribunal shall consist of persons employed or engaged in a senior position in Insurance underwriting or claims.

The Arbitration Tribunal shall have power to fix all procedural rules for the holding of the Arbitration including discretionary power to make orders as to any matters which it may consider proper in the circumstances of the case with regard to pleadings, discovery, inspection of documents, examination of witnesses and any other matter whatsoever relating to the conduct of the Arbitration and may receive and act upon such evidence whether oral or written strictly admissible or not as it shall in its discretion think fit.

Each party will pay its chosen Arbitrator, and also bear the other expenses of the Arbitration and Umpire equally.

The seat of the Arbitration shall be in New York and the Arbitration Tribunal shall apply the law of New York as the proper law of this insurance.

The Arbitration Tribunal may not award exemplary, punitive, multiple, consequential, or other damages of a similar nature.

A decision agreed to by any two members of the Arbitration Tribunal shall be binding. The award of the Arbitration Tribunal shall be in writing and binding upon the parties who covenant to carry out the same. If either of the parties should fail to carry out any award the other may apply for its enforcement to a court of competent jurisdiction in any territory in which the party in default is domiciled or has assets or carries on business.

- D. **ASSIGNMENT:** The Insured may not assign this Policy without the Companies' prior written consent.
- E. **BRANDS AND LABELS:** If branded or labeled merchandise covered by this Policy is physically damaged and the Companies elect to take all or any part of such merchandise at the value established by the terms of this Policy, the Insured may, at their own expense, stamp "SALVAGE" on the merchandise or its containers, or may remove or obliterate the brands or labels, if such stamp, removal or obliteration will not physically damage the merchandise, but the Insured must re-label the merchandise or containers in compliance with the requirements of law.
- F. **CANCELLATION AND ADDITIONS OR DELETIONS:**
1. This Policy can be canceled by the First Named Insured by providing the Companies with:

- a. An advanced written request for cancellation stating when the cancellation shall be effective, and
 - b. The original Policy or a lost policyholder release signed by the First Named Insured or its legal representative.
2. This Policy may be canceled by the Companies by giving to the Insured at least ninety (90) days written notice of cancellation or in the case of non-payment of premium or material mis-statement, at least ten (10) days written notice of cancellation.
 3. The cancellation will be effective even if the Companies have not made or offered a refund. If notice is mailed, proof of mailing will be sufficient proof of notice.
 4. If this Policy is canceled, the Companies will send the First Named Insured any premium refund due.
5. Earned Premium:
 - a. For **Locations** NOT “Exposed to Hurricanes”, if the Insured cancels this Policy or removes a **Location**, the short rate return premium is 90% of applicable pro-rata premium subject to any Minimum Earned Premium stipulations in the Policy.
 - b. For **Locations** “Exposed to Hurricanes”, if the Insured cancels this Policy, removes a **Location** or reduces the amount of insurance on a **Location** and coverage existed any time during the period of June 1st to November 1st, the amount of premium the Companies will return will be the Unearned Premium for the **Location**. The Unearned Premium is the **Location** premium times the Unearned Factor noted below:

Days Policy in Force	Unearned Factor
1-180	20.0%
181-210	15.0%
211-240	10.0%
241-270	7.5%
271-300	5.0%
301-330	2.5%
331 more	0%

- c. However, subject to receipt of closing documents within 30 days of closing, this Policy allows pro-rata return premium for locations sold, but not for loss of a management contract (unless the management contract is lost due to the sale of the property).
- d. For **Locations** “Exposed to Hurricanes”, if added (or coverage increased at an existing **location** which is “Exposed to Hurricanes”) during the term of the Policy and coverage exists at any time during the period of June 1st to November 1st, the premium will be calculated at 100% of the annual rate, less the Unearned Factor noted in b. above. Otherwise, it shall be pro-rata.

However, subject to receipt of closing documents, this Policy allows pro-rata additional premium for **Locations** purchased during the policy term.

- e. **Locations** of like kind and quality shall be added at the account rate, subject to the Unearned Factor noted in b. above. **Locations** of differing kind or quality or locations in Dade, Broward or Palm Beach counties of Florida must be approved by the Program Manager prior to attachment.
- f. If a **Location** is "Exposed to Hurricanes", the provisions of this clause replace any short rate provisions stipulated in this Policy, all subject to the Minimum Earned Premium provisions.
- g. "Exposed to Hurricanes" is defined to include any **Location** within 100 miles of the closest salt water of the Atlantic Ocean or the Gulf of Mexico.
- h. Coverage cannot be increased nor additional **Locations** added if they are "Exposed to Hurricanes" and a **Named Storm** is in existence, unless with the express written consent of the Program Manager.
- i. Nothing herein will act to provide coverage outside the automatic acquisition clause elsewhere in the Policy.
- j. Proof of mailing will be sufficient proof of notice of cancellation.
- k. In the event of a total loss or constructive total loss to Covered Property by a Covered Cause of Loss, the premium applicable to that Covered Property shall be fully earned and no return premium will be due to the Insured.

G. CLAIMS REPORTING AND ADJUSTMENT:

All Claims shall be reported to: AmRisc, LLC Claims Department
 E-Mail: claims@amrisc.com
 Ph: 252-247-8796
 Fax: 252-726-2855

All Claims shall be adjusted by: CJW and Associates
 1420 Edgewater Drive, Suite 101, Orlando, FL 32804

and/or its assigned adjusters and the costs of such adjustments shall be borne by each Company in proportion to its pro-rata participation in this policy.

In the event the Company(s) elects to use its own adjusters or independent adjusters or consultants other than as listed above, expenses so incurred shall be borne solely by the Company.

It is further understood and agreed that, notwithstanding any provision contained elsewhere in this policy to the contrary, the Insured will be deemed to be in full compliance with any claim notice requirements, if notice of an occurrence is made to the Company[s] as soon as practicable after knowledge by the Insured or their representatives, that such occurrence will, or is likely to result in a claim under the policy. Any unintentional failure to report any occurrence or claim shall not invalidate coverage with respect to any such occurrence or claim.

- H. CONTROL OF DAMAGED MERCHANDISE: The Insured, exercising reasonable discretion, shall be the sole judge as to whether the goods involved in any loss under this Policy are fit for normal intended use or consumption. No goods so deemed by the Insured to be unfit for consumption shall be sold or otherwise disposed of except by the Insured or with the Insured's consent, but the Insured shall allow the Companies any salvage obtained by the Insured on any sale or other disposition of such goods. The Insured shall have full right to the possession of and retain control of all goods involved in any loss under this Policy.
- I. CONTROL OF PROPERTY: Any act or neglect of any person other than the Insured beyond the Insured's direction or control will not affect this insurance.
- J. CURRENCY: Any amount of money specified in the Policy, including Limits of Liability, Deductibles, Premiums, and any loss payments shall be in the currency of the United States of America.

- K. **DIVISIBLE CONTRACT:** Subject to Condition O. below, if the **Locations** described in this Policy include two or more **buildings** or the contents of two or more **buildings**, the breach of any condition of this Policy in respect to any one or more of the **buildings** insured or containing the Covered Property, shall not prejudice the right to recover for physical loss or damage occurring in any **building** insured or containing the Covered Property where, at the time of such loss or damage, a breach of condition does not exist.
- L. **INSPECTION AND AUDIT:** The Companies, at all reasonable times during this Policy period, shall be permitted but not obligated to inspect the property insured by this Policy. Neither the Companies' right to make inspections nor the making thereof nor any report thereon shall constitute any undertaking by the Companies, on behalf of or for the benefit of the Insured or others, to determine or warrant that such property is safe or healthful or that they comply with any law, rule or regulation.

The Companies may also examine and audit the Insured's books and records at any reasonable time during the Policy period and within one year after the Policy termination, as long as such examination and audit relate to the subject matter of this Policy.

- M. **JOINT LOSS AGREEMENT:** In the event the insurance company, if any, providing Equipment Breakdown insurance ('EBD insurer') disputes any portion of the claim made against that EBD insurer, but these Companies believe the EBD insurer should have paid that portion of the claim, then these Companies shall, upon written request of the Insured, pay to the Insured one-half of the amount of the loss which is in disagreement, but in no event more than these Companies would have paid if there had been no Equipment Breakdown policy in effect, subject to the following conditions:

1. The amount of the loss which is in disagreement, after making provisions for any undisputed claims payable under the said policies and after the amount of the loss is agreed upon by the Insured and all of the insurers, is limited to the minimum amount remaining payable under the Equipment Breakdown policy;
2. The EBD insurer shall simultaneously pay to the Insured one-half of said amount which is in disagreement;
3. The payments by all of the insurers hereunder and acceptance of the same by the Insured signify the agreement of all the insurers to submit to and proceed with arbitration within 90 days of such payments; the arbitrators shall be three in number, one of whom shall be appointed by the Property insurance Companies and one of whom shall be appointed by the EBD insurer and the third shall be appointed with the consent of the Property insurance Companies and the EBD insurer, and the decision by the arbitrators shall be binding upon all the insurers and that judgment upon such award may be entered in any court of competent jurisdiction;
4. The Insured agrees to cooperate in connection with such arbitration but not to intervene therein;
5. The provisions of this clause shall not apply unless such other policy issued by the EBD insurer is similarly endorsed;
6. Acceptance by the Insured of sums paid pursuant to the provisions of this clause, including an arbitration award, shall not operate to alter, waive, surrender, or in any way affect the rights of the Insured against any of the insurers.

- N. **LOSS PAYEES, LENDER'S LOSS PAYEES, AND MORTGAGEES (OR TRUSTEES):**

1. Loss, or damage, if any, under this Policy shall be payable to:
 - a. any Loss Payee or Lender's Loss Payee as its interest may appear; and
 - b. any Mortgagee (or Trustee) as its interest may appear under all present or future mortgages upon the insured property in which the aforesaid may have an interest as Mortgagee (or Trustee), in order of precedence of said mortgages.

- c. Insurance Trustee: If the Insured names an Insurance Trustee, the Companies will adjust the loss with the Insured, but will pay the Insurance Trustee. If the Companies pay the Insurance Trustee, the payments will satisfy the Insured's claim against the Companies.
2. As to the interest of the Lender's Loss Payee or Mortgagee (or Trustee) only, this insurance shall not be invalidated by any act or neglect of the Insured nor by any foreclosure or other proceedings or notice of sale relating to said property nor by any change in the title or ownership of said property, nor by the occupation of the insured **Locations** for purposes more hazardous than are permitted by this Policy; provided, that in case the Insured shall neglect to pay any premium due under this Policy, the Lender's Loss Payee or Mortgagee (or Trustee) shall, on demand pay the same.

The Lender's Loss Payee or Mortgagee (or Trustee) must notify the Program Manager of any change of ownership or occupancy or increase of hazard which shall come to the knowledge of the Lender's Loss Payee or Mortgagee (or Trustee) and, unless permitted by this Policy it shall be noted hereon and the Lender's Loss Payee or Mortgagee (or Trustee) shall, on demand, pay the premium for such increased hazard; otherwise, this entire Clause 2. shall be null and void.

3. If the Companies cancel this Policy, they will give:
 - a. ten (10) days before the effective date, if cancellation is for non-payment of premium or material mis-statement; or
 - b. ninety (90) days before the effective date, if cancellation is for any other reason.
 4. Nothing herein shall affect the rights of the Companies to suspend insurance [which shall include any insurance applying to the interest of the Loss Payee, Lender's Loss Payee, or Mortgagee (or Trustee)] on any machine, vessel or part thereof in accordance with the Suspension Clause of Equipment Breakdown (if such coverage is provided by endorsement to this policy). The Companies agree to furnish the Loss Payee, Lender's Loss Payee, or Mortgagee (or Trustee) with a copy of the suspension notice at the Loss Payee's, Lender's Loss Payee's, or Mortgagee's (or Trustee's) address.
 5. Whenever the Companies shall pay the Loss Payee, Lender's Loss Payee, or Mortgagee (or Trustee) any sum for loss under this Policy and shall claim that, as to the Insured, no liability therefor existed, the Companies shall, to the extent of such payment, be subrogated to all the rights of the party to whom such payment shall be made, under all securities held as collateral to the debt, or may, at their option pay to the Loss Payee, Lender's Loss Payee, or Mortgagee (or Trustee) the whole principal due or to grow due on the debt with interest, and shall thereupon receive a full assignment and transfer of all rights and securities; but no subrogation shall impair the right of the Loss Payee, Lender's Loss Payee, or Mortgagee (or Trustee) to recover the full amount of the Loss Payee's, Lender's Loss Payee's or Mortgagee's (or Trustee's) claim.
- O. MISREPRESENTATION AND FRAUD: This entire Policy shall be void if, whether before or after a loss, the Insured has willfully concealed or misrepresented any material fact or circumstance concerning this insurance or the subject thereof, or the interest of the Insured therein, or in case of any fraud, or false swearing by the Insured relating thereto.
- P. OTHER INSURANCE/EXCESS INSURANCE/UNDERLYING INSURANCE: In the event there is other insurance covering loss or damage insured under this Policy, then this Policy shall apply only as excess and in no event as contributory insurance (unless this Policy is specifically written to be contributory insurance), and then only after all other insurance has been exhausted, whether or not such insurance is collectible. Permission is granted for the Insured to purchase Excess Insurance over the limits provided by this Policy, and underlying insurance on all or any part of the deductibles of this Policy.

However, in the event the Named Insured is a Condominium Association, the Unit-Owner may have other insurance covering the same property as this insurance. This insurance is intended to be Primary, and not to contribute with other such Unit-Owner insurance.

- Q. PROTECTION AND PRESERVATION OF PROPERTY: In case of actual or imminent direct physical loss or damage by a Covered Cause of Loss, the expenses incurred by the Insured in taking reasonable and necessary actions for the temporary protection and preservation of Covered Property hereunder shall be added to the total physical loss or damage otherwise recoverable under this Policy and be subject to the applicable deductible, sublimit of liability and the Policy Limit.

If, as a result of the Insured's efforts to protect the insured property, no direct physical loss or damage occurs to the insured property, the applicable Deductible shall be that deductible that would have applied to the Covered Cause of Loss from which the Insured protected the property.

- R. REINSTATEMENT OF LIMITS: Except for any Covered Cause of Loss which is subject to an aggregate limit or sublimit of liability, payment of a claim will not reduce the amount payable under this Policy for any subsequent covered loss.

- S. REQUIREMENTS IN CASE OF LOSS: The Insured shall:

1. Give immediate written notice of any loss or damage to the Program Manager's Claims Department;
2. Promptly contact the applicable authority having jurisdiction in the event a law has been broken, and promptly file a written report with such authority;
3. Protect the property from further loss or damage;
4. Separate the damaged and undamaged personal property;
5. Maintain such property in the best possible order;
6. Furnish a complete inventory of the lost, destroyed, damaged and undamaged property, showing in detail quantities, costs, actual cash value and amount of loss claimed;
7. Furnish all other documents or insurance policies that the Companies may reasonably require;
8. Allow the Companies to access and inspect any of the damaged or undamaged property; and
9. Submit to examination under oath at such times as may be reasonably required about any matter relating to this insurance or any claim;

Within ninety (90) days after the loss, unless such time is extended in writing by the Companies, the Insured shall provide the Companies with a Proof of Loss, signed and sworn to by the Insured, stating the knowledge and belief of the Insured as to the following:

1. The time and origin of the loss;
2. The interest of the Insured and of all others in the property;
3. The value of each item thereof determined in accordance with the Valuation Provisions of this Policy and the amount of loss thereto and all encumbrances thereon;
4. All other contracts of insurance, whether collectible or not, covering any of said property; and
5. Any changes in the title, use, occupation, location, possession or exposures of said property subsequent to the issuance of this Policy, by whom and for what purpose any building herein described and the several parts thereof were occupied at the time of loss whether or not it then stood on leased ground.

- T. REVIEW OF VALUES: The Insured shall provide the Program Manager at Policy inception and each subsequent anniversary date of this Policy, a Statement of Values which consists of the current 100% Property and Time Element values for all insured **Locations**.

Such values shall be reported separately for each **Location**, with separate figures shown for each type of coverage at each **Location**. The property values shall be shown on a Replacement Cost Basis for property which is covered on a Replacement Cost basis and on an **Actual Cash Value** basis for other property. The value of stock and supplies to be included in the property values shall be in accordance with the Valuation clause contained in this Policy and shall be based on the approximate average of the stock and supplies on hand during the twelve months immediately preceding the annual review of values. Time Element values (if covered) shall be provided in accordance with the terms of the applicable Time Element provisions.

Upon inception and at each anniversary date of this Policy, the Annual Premium shall be due and payable to the Program Manager. Receipt of said Statement of Values by the Program Manager shall be considered as authorization by the Insured for premiums under this Policy to be calculated.

The premium for this Policy is based upon the Statement of Values on file with the Program Manager, or attached to this Policy.

- U. SALVAGE AND RECOVERIES: All salvages, recoveries and payments, excluding proceeds from subrogation and underlying insurance recovered or received prior to a loss settlement under this Policy, shall reduce the loss accordingly.
- V. SETTLEMENT OF CLAIMS: The amount of loss for which the Companies may be liable shall be payable within thirty (30) days after Proof of Loss, as herein required, is received and accepted by the Companies and ascertainment of the amount of loss is made either by agreement between the First Named Insured and the Companies or an amount is determined by binding Arbitration in accordance with the provisions of this Policy.

The Companies shall have the option to take all, or any part of the property at the agreed or arbitrated value, or to repair, rebuild or replace the property physically lost or damaged with other of like kind and quality, within a reasonable time, on giving notice of its intention to do so within sixty (60) days after receipt of the Proof of Loss herein required.

- W. SEVERAL LIABILITY NOTICE
LMA5096 03/08 (Combined Certificate) - amended

The liability of an insurer under this Policy is several and not joint with other insurers party to this Policy. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this Policy.

The proportion of liability under this Policy underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this Policy.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this Policy. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA United Kingdom. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address. Although reference is made at various points in this clause to "this Policy" in the singular, where the circumstances so require this should be read as a reference to Policies in the plural.

Wherever the word Insurers is mentioned in this clause, this is deemed to also mean reinsured in respect of reinsurance business.

- X. SUBROGATION: The Companies may require from the Insured an assignment of all right of recovery against any party for loss to the extent that payment has been made by the Companies, but the Companies shall not acquire any rights of recovery which the Insured has expressly waived in writing prior to loss nor shall such waiver in writing affect the Insured's rights under this Policy.

The Companies do waive rights of recovery against any unit-owner of a Condominium Association.

However, notwithstanding the foregoing, the Companies shall be subrogated to all the Insured's rights of recover against:

1. any Architect or Engineer, whether named as an Insured or not, for any loss or damage arising out of the performance of professional services in their capacity as such and caused by an error, omission, deficiency or act of the Architect or Engineer, by any person employed by them or by any others for whose acts they are legally liable, and
2. any manufacturer or supplier of machinery, equipment or other property, whether named as an Insured or not, for the cost of making good any loss or damage which said party has agreed to make good under a guarantee or warranty, whether expressed or implied.

Any recovery as a result of subrogation proceedings arising out of an **Occurrence**, after expenses incurred in such subrogation proceedings are deducted, shall accrue to the Insured in the proportion that the deductible amount and/or any provable uninsured loss amount bears to the entire provable loss amount.

The Insured will cooperate with the Companies and, upon the Companies' request and expense will:

1. Attend hearings and trials; and
2. Assist in effecting settlements, securing and giving evidence, obtaining the attendance of witnesses, and conducting suits.

- Y. SUIT AGAINST COMPANIES: No suit, action or proceeding for the recovery of any claim under this Policy shall be sustainable in any court of law or equity unless the Insured shall have fully complied with all the requirements of this Policy, nor unless the same be commenced within twelve (12) months next after the date of the loss, provided however, that if under the laws of the jurisdiction in which the property is located such time limitation is invalid, then any such claims shall be void unless such action, suit or proceedings is commenced within the shortest limit of time permitted by the laws of such jurisdiction.

- Z. TERRITORIAL LIMITATIONS: Payment of loss under this Policy shall only be made in full compliance with all United States of America economic or trade sanction laws or regulations, including, but not limited to, sanctions, laws and regulations administered and enforced by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC").

- AA. TITLES OF PARAGRAPHS: The titles of the various paragraphs of this Policy (and of endorsements included in this Policy) are solely for reference and shall not in any way affect the provisions to which they relate.

- BB. VACANCY: The Insured has permission to cease operations or remain vacant or unoccupied at an insured **Location** for up to 90 days. Beyond the 90th consecutive day of cessation of operations, vacancy or not occupied, whether or not that period of time commenced prior to or during the Policy Period, any loss or damage caused by or resulting, directly or indirectly, from **Vandalism and Malicious Mischief**, sprinkler leakage, glass breakage, water, theft or attempted theft is excluded; however these restrictions in coverage will not apply if the Insured maintains existing heat, fire protection, security and alarm services.

This restriction does not apply to any **Location** in the course of construction or renovation.

SECTION VIII – POLICY DEFINITIONS

- A. **Actual Cash Value:** The following is added to any provision which uses the term Actual Cash Value:

Actual Cash Value is calculated as the amount it would cost to repair or replace Covered Property, at the time of loss or damage, with material of like kind and quality, subject to a deduction for deterioration, depreciation and obsolescence. Actual Cash Value applies to valuation of Covered Property regardless of whether that property has sustained partial or total loss or damage.

The Actual Cash Value of the lost or damaged property may be significantly less than its replacement cost.

- B. **Aircraft or Vehicle Impact** means only physical contact of an aircraft, spacecraft, self-propelled missile, or objects falling therefrom, or vehicle or an object thrown up by a vehicle.

- C. **Average Daily Value (ADV):** Average Daily Value shall be the total 100% Time Element Value that would have been projected for the Period of Interruption for the **Location(s)** where the physical loss or damage occurs, had no physical loss or damage occurred, divided by the number of working days in such period. The sum shall include all Time Element values to which the operations of the **Locations(s)** directly or indirectly contribute.

- D. **Building:** Building is defined as a fully enclosed permanent structure with walls and a continuous roof; and such structure while in the course of construction.

3. Structural damage to the building, including the foundation; and
4. The insured **Building** or structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

However, structural damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute loss or damage resulting from a catastrophic ground cover collapse.

The Earth Movement exclusion does not apply to coverage for Catastrophic Ground Cover Collapse.

Coverage for Catastrophic Ground Cover Collapse does not increase the applicable Limit of Insurance. Regardless of whether loss or damage attributable to catastrophic ground cover collapse also qualifies as Sinkhole Loss or Earth Movement (if either or both of these causes of loss are covered), only one Limit of Insurance will apply to such loss or damage.

- F. **Collapse** means an abrupt falling down or caving in of a **building** or any part of a **building** with the result that the **building** or part of the **building** cannot be occupied for its current intended purpose. The Collapse must be caused by or resulting from one or more of the following:

1. Building decay that is hidden from view, unless the presence of such decay is known to the Insured prior to collapse;
2. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to the Insured prior to collapse;
3. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of construction, remodeling or renovation.

4. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:
 - a. A cause of loss listed in F.1. or F.2;
 - b. One or more of the **Defined Causes of Loss**;
 - c. Breakage of building glass;
 - d. Weight of people or personal property; or
 - e. Weight of rain or snow or ice that collects on a roof.

5. Catastrophic Ground Cover Collapse.

- G. **Companies:** The following words shall be synonymous with each other: "Underwriters", "Insurers" and "Companies".
- H. **Contractor's Equipment:** Machinery, accessories, equipment, spare parts or tools of a mobile nature that are used in contracting, installation, erection, repair or moving operations and projects. It includes self-propelled vehicles that transport mounted equipment and any vehicle not registered or licensed and not used on public roads, even though designed for highway use.
- I. **Defined Cause of Loss** means Fire, Lightning, **Explosion, Windstorm or Hail, Smoke, Aircraft or Vehicle Impact, Riot, Strike or Civil Commotion, Vandalism and Malicious Mischief, or Leakage from Fire Protection Equipment.**
- J. **Earth Movement** means any natural or manmade:
 1. Earthquake, including any earth sinking, rising or shifting related to such event;
 2. Landslide, including any earth sinking, rising or shifting related to such event;
 3. Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;
 4. Earth sinking, rising or shifting, including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface
 5. Shocks, tremors, mudslide, mud flow, rock falls, volcanic eruption, **Sinkhole Loss**, subsidence or any other **Earth Movement**.

S. Environmental Protection Agency. Waste includes materials to be recycled, reconditioned or reclaimed.

AA. **Riot, Strike or Civil Commotion** means riot and civil commotion including:

1. Acts of striking employees while occupying the insured **Location**; and
2. Pilferage or looting occurring at the time and place of a riot or civil commotion.

BB. **Sinkhole Loss**

1. As respects locations in all states, EXCEPT Florida:

Sinkhole Loss means: The sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This does not include:

- a. The cost of filling sinkholes; or
- b. Sinking or collapse of land into man-made underground cavities.

2. As respects locations in Florida:

- a. **Sinkhole Loss**, means loss or damage to Covered Property when "structural damage" to the covered **Building**, including the foundation, is caused by settlement or systematic weakening of the earth supporting the covered **Building**, only if the settlement or systematic weakening results from contemporaneous movement or raveling of soils, sediments, or rock materials into subterranean voids created by the effect of water on a limestone or similar rock formation.

Coverage for Sinkhole Loss includes stabilization of the **Building** (including land stabilization) and repair to the foundation, provided such work is in accordance with the requirements of Florida Insurance Law and in accordance with the recommendation of a professional engineer and with notice to the Insured. The professional engineer must be selected or approved by the Companies. However, until the Insured enters into a contract for performance of building stabilization or foundation repair in accordance with the recommendations of the professional engineer as set forth in a report from the Companies:

- 1) The Companies will not pay for underpinning or grouting or any other repair technique performed below the existing foundation of the **Building**; and

- 2) The Companies' payment for Sinkhole Loss to Covered Property may be limited to the Actual Cash Value of the loss to such property.

The Insured must enter into a contract for the performance of building stabilization and/or foundation repair in accordance with the aforementioned recommendations, within 90 days after the Companies notify the Insured that there is coverage for Sinkhole Loss. After the Insured has entered into such contract, the Companies will pay the amounts necessary to begin and perform such repairs as the work is performed and the expenses are incurred.

However, if the professional engineer determines, prior to the Insured entering into the aforementioned contract or prior to the start of repair work, that the repairs will exceed the applicable Limit of Insurance, the Companies must either complete the recommended repairs or pay that Limit of Insurance upon such determination. If the aforementioned determination is made during the course of repair work and the Companies have begun making payments

for the work performed, the Companies must either complete the recommended repairs or pay only the remaining portion of the applicable Limit of Insurance upon such determination. The most the Companies will pay for the total of all Sinkhole Loss, including **Building** and land stabilization and foundation repair, is the applicable Limit of Insurance on the affected **Building**.

The stabilization and all other repairs to the Covered Property must be completed within 12 months after entering into the contract for the performance of these repairs, unless:

- 1) There is a mutual agreement between the Insured and the Companies;
- 2) The claim is involved with the neutral evaluation process;
- 3) The claim is in litigation; or
- 4) The claim is under appraisal or mediation.

b. Sinkhole Loss does not include:

- 1) Sinking or collapse of land into man-made underground cavities; or
- 2) Earthquake.

c. With respect to a claim for alleged Sinkhole Loss, the following provision is added:

Following receipt by the Companies of a report from a professional engineer or professional geologist on the cause of loss and recommendations for land stabilization and repair of property, or if the Companies deny the claim, the Companies will notify the Insured of his right to participate in a neutral evaluation program administered by the Florida Department of Financial Services (hereinafter referred to as the Department). For alleged Sinkhole Loss to commercial residential or farm residential properties, this program applies instead of any mediation procedure set forth elsewhere in this policy, but does not invalidate the Appraisal Condition.

Either party may file a request with the Department for neutral evaluation; the other party must comply with such request. The Companies will pay reasonable costs associated with the neutral evaluation, regardless of which party makes the request. But if a party chooses to hire a court reporter or stenographer to contemporaneously record and document the neutral evaluation, that party must bear the costs of those services. The neutral evaluator will be selected from a list maintained by the Department. The recommendation of the neutral evaluator will not be binding on either party.

Participation in the neutral evaluation program does not change the Insured's right to file suit against the Companies, except that the time for filing suit is extended for a period of 60 days following the conclusion of the neutral evaluation process or five years, whichever is later.

d. Coverage for Sinkhole Loss does not increase the applicable Limit of Insurance. Even if loss or damage qualifies under, or includes, both Catastrophic Ground Cover Collapse (addressed elsewhere) and Sinkhole Loss, only one Limit of Insurance will apply to such loss or damage.

e. The following provision is added to the REQUIREMENTS IN CASE OF LOSS Condition:

A claim for Sinkhole Loss, including but not limited to initial, supplemental and reopened claims is barred unless notice of claim is provided to the Companies in accordance with the terms of this policy within two years after the Insured knew or reasonably should have known about the Sinkhole Loss.

The following definitions are added with respect to the coverage provided for Sinkhole loss:

- 1) "Structural damage" means a covered **Building**, regardless of the date of its construction, has experienced the following:
 - a) Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior **Building** structure or members become unfit for service or represent a safety hazard as defined within the Florida Building Code;
 - b) Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the "primary structural members" or "primary structural systems" and that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those "primary structural members" or "primary structural systems" exceed one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
 - c) Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical "primary structural members" to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
 - d) Damage that results in the building, or any portion of the **Building** containing "primary structural members" or "primary structural systems", being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such **Building** as defined within the Florida Building Code; or
 - e) Damage occurring on or after October 15, 2005, that qualifies as substantial structural damage as defined in the Florida Building Code.
 - 2) "Primary structural member" means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.
 - 3) "Primary structural system" means an assemblage of "primary structural members".
- f. If the Companies deny the claim for Sinkhole Loss without performing testing under section 627.7072, Florida Statutes, the Insured may demand testing by communicating such demand to the Companies in writing within 60 days after the Insured receives the Companies' denial of the claim. The Insured is responsible for 50% of the testing costs, or \$2,500, whichever is less. If the Companies' professional engineer or geologist provides written certification, pursuant to section 627.7073, that there is sinkhole loss, the Companies will reimburse the Insured for the testing costs.
- g. The Insured may not accept a rebate from any person performing repairs for Sinkhole Loss. If the Insured receives a rebate, coverage under this Policy is void and the Insured must refund the amount of the rebate to the Companies.

- h. If the Companies deny the claim for Sinkhole Loss upon receipt of written certification from a professional engineer or geologist, pursuant to section 627. 7073, that there is no Sinkhole loss or that the cause of the damage was not Sinkhole activity, and if the Sinkhole claim was submitted without good faith grounds for submitting such claim, the Insured shall reimburse the Companies for 50% of the actual costs of the analyses and services provided under sections 627.7072 and 627.7073, or \$2,500, whichever is less. The Insured is not required to pay such reimbursement unless the Insured requested the analysis and services and the Companies, before ordering the analysis, informed the Insured in writing of the potential for reimbursement and gave the Insured the opportunity to withdraw the claim.
- i. As a precondition to accepting payment for Sinkhole loss, the Insured must file with the county clerk of court, a copy of any Sinkhole report regarding the property which was prepared on behalf or at the Insured's request. The Insured will bear the cost of filing and recording the sinkhole report.

Service Interruption below and any Contingent Time Element coverage provided by this coverage part, coverage will apply only to the direct result of an accident and will not apply to the direct result of an **electronic circuitry impairment**. These coverages do not provide additional amounts of insurance.

 - b. Data Restoration
 - (1.) The Companies will pay for the Insured's reasonable and necessary cost to research, replace and restore lost **Electronic Data and Media**.
 - (2.) The most the Companies will pay for loss or expense under this coverage, including actual loss of covered Time Element the Insured sustains and necessary covered Extra Expense the Insured incurs, is \$100,000 unless otherwise shown in a **schedule**.
 - c. Expediting Expenses

 - (3.) The most the Companies will pay for loss, damage or expense under this coverage, including actual loss of covered Time Element the Insured sustains and necessary covered Extra Expense the Insured incurs, is \$100,000 unless otherwise shown in a **schedule**.
- f. Off Premises Equipment Breakdown
 - (1.) The Companies will pay for physical damage to transportable **covered equipment** that, at the time of the accident or **electronic circuitry impairment**, is not at an insured **Location**. As respects this Off Premises Equipment Breakdown coverage only, the accident or **electronic circuitry impairment may** occur in any country except one in which the United States has imposed sanctions, embargoes or similar restrictions on the provision of insurance.
 - (2.) The Companies will also pay for the Insured's reasonable and necessary cost to research, replace and restore lost **Electronic Data and Media** contained within **covered equipment** as described under (1) above. This amount may not exceed the limit applicable to Data Restoration coverage.

This communication must be directed to one or more of the following:
 - (a.) The media;
 - (b.) The public; or

h. Service Interruption

- (1.) Any insurance provided under this endorsement for Time Element, Data Restoration or Spoilage is extended to apply to the Insured's loss, damage or expense caused by a failure or disruption of service. The failure or disruption of service must be caused by an **accident** to equipment, including overhead transmission lines, that is owned by a utility, landlord, a landlord's utility or other supplier who provides the Insured with any of the following services: electrical power, waste disposal, air conditioning, refrigeration, heating, natural gas, compressed air, water, steam, Internet access, telecommunications services, **cloud computing services**, wide area networks or data transmission. The equipment must meet the definition of **covered equipment** except that it is not Covered Property.
- (2.) **Cloud computing services** must be provided by a professional provider with whom the Insured has a contract.
- (3.) With respect to the Data Restoration portion of this Service Interruption coverage, coverage will also apply to **Electronic Data and Media** stored in the equipment of a provider of cloud computing services.
- (4.) Unless otherwise shown in a schedule, any insurance provided for Time Element or Data Restoration will not apply under this Service Interruption coverage unless the failure or disruption of service exceeds 24 hours immediately following the **accident**. If the interruption exceeds 24 hours, coverage will begin at the time of the disruption, and the applicable deductible will apply.
- (5.) The most the Companies will pay in any **one equipment breakdown** for loss, damage or expense under this coverage is the applicable limit for covered Time Element, Data Restoration or Spoilage, except that if a limit is shown in a **schedule** for Service Interruption, that limit will apply to Time Element loss under this coverage.

i. Spoilage

- (1.) The Companies will pay for:
 - (a.) Physical damage to **perishable goods** due to spoilage;
 - (b.) Physical damage to **perishable goods** due to contamination from the release of refrigerant, including but not limited to ammonia;
 - (c.) Any necessary expenses the Insured incurs to reduce the amount of loss under this coverage to the extent that they do not exceed the amount of loss that otherwise would have been payable under this coverage.
- (2.) If the Insured is unable to replace the **perishable goods** before its anticipated sale, the amount of the Companies' payment will be determined on the basis of the sales price of the **perishable goods** at the time of the **accident** or **electronic circuitry impairment**, less discounts and expenses the Insured otherwise would have had. Otherwise the Companies' payment will be determined in accordance with the Valuation provision.

- (3) The most companies will pay for the loss, damage or expense under this coverage is \$100,000 unless otherwise shown in a schedule.

 - (3) The loss, damage or expense caused by such surge or disturbance is not covered elsewhere under the policy.
- d. Any cause of loss set forth in exclusion b.(2)(d) above that is not a Covered Cause of Loss in this coverage part shall be excluded only as respects Service Interruption coverage.

4. DEFINITIONS

The following definitions are added with respect to this endorsement only:

- a. **Accident**
 - (1) **Accident** means a fortuitous event that causes direct physical damage to **covered equipment**. The event must be one of the following:

- b. **Boilers and vessels** means:
- (1) Any boiler, including attached steam, condensate and feedwater piping; and

This includes services known as IaaS (infrastructure as a service), PaaS (platform as a service), SaaS (software as a service) and NaaS (network as a service). This includes business models known as public clouds, community clouds and hybrid clouds. Cloud computing services include private clouds if such services are owned and operated by a third party.
- d. **Covered equipment**
- (1) **Covered equipment** means, unless otherwise specified in a schedule, Covered Property:
 - (a) That generates, transmits or utilizes energy; or
 - (b) Which, during normal usage, operates under vacuum or pressure, other than the weight of its contents.**Covered equipment** may utilize conventional design and technology or new or newly commercialized design and technology.
 - (2) None of the following is **Covered equipment**:
 - (a) Structure, foundation, cabinet or compartment;
 - (b) Insulating or refractory material;
 - (c) Sewer piping, buried vessels or piping, or piping forming a part of a sprinkler or fire suppression system;

This definition is subject to the conditions specified in (2), (3) and (4) below.
 - (2) The Companies shall determine that the reasonable and appropriate remedy to restore such **covered equipment's** ability to function is the replacement of one or more **electronic circuitry** components of the **covered equipment**.
 - (3) The **covered equipment** must be owned or leased by the Insured, or operated under the Insured's control.
 - (4) None of the following is an **electronic circuitry Impairment**:

- g. **Hazardous substance** means any substance that is hazardous to health or has been declared to be hazardous to health by a governmental agency.
- h. **One equipment breakdown** means: If an initial **accident** or **electronic circuitry Impairment** causes other **accidents** or **electronic circuitry Impairments**, all will be considered one **equipment breakdown**. All **accidents** or **electronic circuitry Impairments** that are the result of the same **accidents** or **electronic circuitry Impairment** will be considered one **equipment breakdown**.
- i. **Perishable goods** means personal property maintained under controlled conditions for its preservation, and susceptible to loss or damage if the controlled conditions change.

- k. **Schedule** means the Equipment Breakdown Coverage Schedule.
- l. **Vehicle** means, as respects this endorsement only, any machine or apparatus that is used for transportation or moves under its own power. **Vehicle** includes, but is not limited to: car, truck, bus, trailer, train, aircraft, watercraft, forklift, bulldozer, tractor or harvester.
However, any property that is stationary, permanently installed at a covered location and that receives electrical power from an external power source will not be considered a **vehicle**.

B. The Commercial Property Compass Form is modified as follows.
The definitions stated above also apply to section B. of this endorsement.

1. DEDUCTIBLE

The deductible in the Declarations applies unless a separate Equipment Breakdown deductible is shown in a schedule. If a separate Equipment Breakdown deductible is shown, the following applies.

Only as regards Equipment Breakdown Coverage, **SECTION I -- COVERAGES AND LIMITS OF LIABILITY**, paragraph G. is deleted and replaced with the following:

- a. Deductibles for Each Coverage
 - (1) Unless the **schedule** indicates that the Insured's deductible is for all coverages, multiple deductibles may apply to any **one equipment breakdown**.
 - (2) The Companies will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the deductible amount indicated for that coverage in the **schedule**. The Companies will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit.
 - (3) If deductibles vary by type of **covered equipment** and more than one type of **covered equipment** is involved in any one **equipment breakdown**, only the highest deductible for each coverage will apply.
- b. Direct and Indirect Coverages
 - (1) Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the **schedule**.
 - (2) Unless more specifically indicated in the **schedule**:
 - (a) Indirect Coverages Deductibles apply to Time Element loss and expense; and
 - (b) Direct Coverages Deductibles apply to all remaining loss, damage or expense covered by this endorsement.
- c. Application of Deductibles
 - (1) Dollar Deductibles
 - The Companies will not pay for loss, damage or expense resulting from any **one equipment breakdown** until the amount of loss, damage or expense exceeds the applicable deductible shown in the **schedule**. The Companies will then pay the amount of loss, damage or expense in excess of the applicable deductible or deductibles, up to the applicable Limit of Insurance.

- (2) **Time Deductible**
If a time deductible is shown in the **schedule**, the Companies will not be liable for any loss occurring during the specified number of hours or days immediately following the **accident or electronic circuitry impairment**. If a time deductible is expressed in days, each day shall mean twenty-four consecutive hours.
- (3) **Multiple of Average Daily Value (ADV)**
If a deductible is expressed as a number times ADV, that amount will be calculated as follows:
The ADV (Average Daily Value) will be the Time Element (as defined in any Time Element Coverage that is part of this policy) that would have been earned during the period of interruption of business had no **accident or electronic circuitry impairment** occurred, divided by the number of working days in that period. No reduction shall be made for the Time Element not being earned, or in the number of working days, because of the **accident or electronic circuitry impairment** or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to the Time Element value of the entire Location, whether or not the loss affects the entire Location. If more than one Location is included in the valuation of the loss, the ADV will be the combined value of all affected Locations. The number indicated in the schedule will be multiplied by the ADV as determined above. The result shall be used as the applicable deductible.
- (4) **Percentage of Loss Deductibles**
If a deductible is expressed as a percentage of loss, the Companies will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.

2. **CONDITIONS**

The following conditions are in addition to those in **SECTION VII – CONDITIONS:**

a. **Suspension**

Whenever **covered equipment** is found to be in, or exposed to, a dangerous condition, any of the Companies' representatives may immediately suspend the insurance against loss from an **accident or electronic circuitry impairment** to that **covered equipment**. This can be done by mailing or delivering a written notice of suspension to:

- (1) The Insured's last known address; or
- (2) The address where the **covered equipment** is located.

Once suspended in this way, the Insured's coverage can be reinstated only by an endorsement for that **covered equipment**. If the Companies suspend the Insured's coverage, the Insured will get a pro rata refund of premium for that **covered equipment** for the period of suspension. But the suspension will be effective even if the Companies have not yet made or offered a refund.

- b. Jurisdictional Inspections
If any property that is **covered equipment** under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, the Companies agree to perform such inspection on the Insured's behalf. The Companies do not warrant that conditions are safe or healthful.
- c. Coinsurance
If a coinsurance percentage is shown in a **schedule** for specified coverages, the following condition applies.
The Companies will not pay for the full amount of the Insured's loss if the applicable limit is less than the product of the specified coinsurance percentage times the value of the property subject to the coverage at the time of the loss. Instead, the Companies will determine what percentage this calculated product is compared to the applicable limit and apply that percentage to the gross amount of loss. The Companies will then subtract the applicable deductible. The resulting amount, or the applicable limit, is the most the Companies will pay. The Companies will not pay for the remainder of the loss. Coinsurance applies separately to each insured **Location**.

3. VALUATION

As respects this endorsement only, **SECTION IV - VALUATION** in the Commercial Property Compass Form is deleted and replaced with the following:
The Companies will determine the value of Covered Property as follows:

- a. Except as specified otherwise, the Companies' payment for damaged Covered Property will be the smallest of:
 - (1) The cost to repair the damaged property;
 - (2) The cost to replace the damaged property on the same site; or
 - (3) The amount the Insured actually spends that is necessary to repair or replace the damaged property.
- b. The amount of the Companies' payment will be based on the most cost effective means to replace the function, capacity and remaining useful life of the damaged property. This may include the use of generic, used or reconditioned parts, equipment or property.
- c. Except as described in d. below, the Insured must pay the extra cost of replacing damaged property with property of a better kind or quality or of a different size or capacity.
- d. Environmental, Safety and Efficiency Improvements
If **covered equipment** requires replacement due to an **accident or electronic circuitry impairment**, the Companies will pay the Insured's additional cost to replace with equipment that is better for the environment, safer for people or more energy or water efficient than the equipment being replaced. However, the Companies will not pay to increase the size or capacity of the equipment and the Companies will not pay more than 150% of what the cost would have been to replace with like kind and quality. This provision does not apply to the replacement of component parts or to any property to which Actual Cash Value applies and does not increase any of the applicable limits.
- e. The following property will be valued on an Actual Cash Value basis:
 - (1) Any property that does not currently serve a useful or necessary function for the Insured;
 - (2) Any Covered Property that the Insured does not repair or replace within 24 months after the date of the **accident or electronic circuitry impairment**; and

- (3) Any Covered Property for which Actual Cash Value coverage is specified in a **schedule**,
Actual Cash Value includes deductions for depreciation.
- f. If any one of the following conditions is met, property held for sale by the Insured will be valued at the sales price as if no loss or damage had occurred, less any discounts and expenses that otherwise would have applied:
 - (1) The property was manufactured by the Insured;
 - (2) The sales price of the property is less than the replacement cost of the property; or
 - (3) The Insured is unable to replace the property before its anticipated sale.
- g. Except as specifically provided for under Data Restoration coverage, **Electronic Data and Media** will be valued on the following basis:
 - (1) For mass-produced and commercially available software, at the replacement cost.
 - (2) For all other **Electronic Data and Media**, at the cost of blank media for reproducing the records. The Companies will not pay for data representing financial records based on the face value of such records.

The most the Companies will pay for loss, damage or expense under this endorsement arising from any one **equipment breakdown** is the applicable limit of liability shown in **SECTION I – COVERAGES AND LIMITS OF LIABILITY**, unless otherwise shown in a schedule. Coverage provided under this endorsement does not provide an additional amount of insurance.

EXCLUSION OF CERTIFIED ACTS OF TERRORISM

A. The following definition is added with respect to the provisions of this endorsement:

"Certified Act of Terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "Certified Act of Terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

The Companies will not pay for loss or damage caused directly or indirectly by a "Certified Act of Terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. **Exception Covering Certain Fire Losses**

As respects to property located in states that have Standard Fire Policy or similar laws mandating that insurance Companies provide coverage for "fire following" any Certified Acts of Terrorism, the following exception to the exclusion in Paragraph **B.** applies:

If a "Certified Act of Terrorism" results in fire, the Companies will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and the Companies have met their insurer deductible under the Terrorism Risk Insurance Act, the Companies shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. **Application Of Other Exclusions**

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War and Military Action Exclusion.

All other terms and conditions remain unchanged.
