DEDUCTIBLES

This policy sets forth certain deductibles that will be applied to claims for damages. When applicable, a deductible will be subtracted from your total claim and you will be paid the balance subject to applicable coverage limits.

- You may be able to reduce your premium by increasing your deductible. Contact your producer (agent) or insurer for details.**

NOTICE: This policy [does] set forth a separate deductible for covered losses caused by [Wind Hail and Named Storm] as defined in the policy.

Separate Deductible Examples - .

If applicable, the following illustrates how a separate deductible applying to hurricane, wind or named storm damage is applied under your policy:

[The insurer shall comply with LSA-R.S. 22:1319.B(3) by selecting either option A or B below:

- A. Developing its own standardized example to reflect how a hurricane, wind, or named storm damage loss will be adjusted under the policy. The standardized example shall set forth a separate loss for each coverage included in the policy for which a premium has been paid. The total of all losses combined shall exceed by at least ten percent (10%) the applicable deductible(s) so that the example demonstrates a net payment to the insured.
- B. Utilizing the standardized example prepared by the LDOI if this standardized example properly reflects how a separate deductible is applied to a hurricane, wind, or named storm damage loss under the policy:

The following assumes no co-insurance penalty and a 2% hurricane, wind, or named storm deductible. The amounts of loss to the damaged property are \$50,000 (building) and \$20,000 (business personal property).

General Property Conditions

WITH RESPECT TO THE COVERAGE PROVIDED BY ALL UNDERWRITERS, CARRIERS AND INSURERS OF THIS POLICY, THE FOLLOWING CLAUSES SHALL APPLY.

A. CLAIMS ADJUSTMENTS AND REPORTING

All claims hereunder shall be adjusted by:

Peninsula Insurance Bureau
2842 Lent Road, Apopka, FL 32712
Email Address: tpa@pibadjusters.com

And/or its assigned adjusters and the costs of such adjustments shall be borne by each Company in proportion to its pro-rata participation in the Insured's Property Insurance Program.

In the event the Insurer elects to use its own adjusters or independent adjusters or consultants other than as listed above, expenses so incurred shall be borne solely by the Insurer

It is further understood and agreed that, notwithstanding any provision contained elsewhere in this policy to the contrary, the Insured will be deemed to be in full compliance with any claim notice requirements, if notice of an occurrence is made to the Insurer(s) as soon as practicable after knowledge by the Insured or their representatives, that such occurrence will, or is likely to result in a claim under the contract. Any unintentional failure to report any occurrence or claim shall not invalidate coverage with respect any such occurrence or claim.

B. SEVERAL LIABILITY NOTICE

LMA5096 (Combined Certificate)

7 March 2008

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA.

The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

C. VARIOUS INSURERS' SERVICE OF SUIT CLAUSES

THE FOLLOWING APPLICABLE CLAUSES SHALL APPLY TO THE INDICATED INSURER(S) PROVIDED THAT INSURER IS PARTICIPATING ON THE POLICY:

It is further agreed that service of process in such suit may be made upon:

H. APPRAISAL CLAUSE AMENDMENT

This endorsement replaces any and all other provisions regarding appraisal.

If we and you disagree on the value of the property or the amount of loss, either party may make written demand for an appraisal of the value of the property and/or the amount of loss. An appraisal may take place only if:

- a. the other party consents, in writing, to participate in the appraisal process; and
- b. you have complied with all Conditions under the Policy as required.

Sixty (60) days prior to the initial meeting of the appraisal panel, both parties must exchange in writing their position on the monetary amount of the covered loss, this will include identifying the precise scope of the property damage and the pricing it has applied to the damaged property ("Pre Appraisal Exchange"). Both parties agree that they will not present a monetary amount of the covered loss during the appraisal process that differs from it Pre Appraisal Exchange. Further both parties agree that if during the appraisal process either party presents a monetary amount of the covered loss that differs from that in the Pre Appraisal Exchange, the other party may promptly withdraw in writing its consent to the appraisal, and at such time the appraisal shall be terminated and no award should be issued. If an award is issued after consent is withdrawn, it will not be binding on the party that withdrew consent to the appraisal.

If the above stated requirements are met, and the appraisal moves forward, each party shall choose a competent, disinterested, and impartial appraiser. The two appraisers will select a competent, disinterested, and impartial umpire. If the two appraisers cannot agree to an umpire within 30 days, the two appraisers may jointly request that the selection of an umpire be made by a judge of a court having jurisdiction. If the appraisers do not agree to jointly request the appointment of an umpire, the appraisal shall not proceed. The appraisers will separately determine and exchange their estimates of the value of the property and amount of loss including, but not limited to, specific itemization of each item and amount in dispute, but not limited to, building-by-building, floor-by-floor, unit-by-unit, and area-by-area allocation. If the appraisers fail to agree on the value of the property or amount of loss, they will submit their differences to the umpire. Neither the appraisers nor the umpire shall have authority to decide questions of law or to resolve any issue of insurance coverage, policy exclusions, compliance with the policy terms and conditions, or any issues concerning the Limits of Insurance available under this Policy. The umpire's decision will be binding on the parties.

Each party will:

- a. pay its chosen appraiser; and
- b. bear the other expenses of the appraisal and the umpire equally.

If there is an appraisal, we will not be held to have waived any of our rights by any act relating to the appraisal. If there is an appraisal, we will still retain our right to deny the claim, including, but not limited to, on the grounds that the loss and damage at issue was not caused by a Covered Cause of Loss or is otherwise excluded or not covered under the terms and conditions of the Policy.

Where applicable, the parties agree that during the pendency of an appraisal all required responses and cures to any Civil Remedy Notices are extended until 30 days after the appraisal is concluded.

*If the peril of NW - CYHD applies, it is understood that both the Layer of Participation and Attachment Point in the WDBB Category are subject to erosion per terms outlined in the Calendar Year Deductible Endorsement (SRU-058). The overlying Layer of Participation which sits above the WDBB is variable as the WDBB erodes. At inception, the limit is the overlying Layer of Participation less the WDBB Layer of Participation. As the WDBB Category erodes, the overlying limit in the Layer of Participation increases commensurately. The policy limit listed in the Layer of Participation is expressed as the maximum limit.

PROPERTY DAMAGE COVERAGE SCHEDULE

A. Premium

The premium shown herein is the premium for the Policy Term and based on the values submitted at inception. We will charge additional premium for values added after the inception date based on those values and the appropriate rates for the exposures added. We may return premium for values sold after the inception date based upon the appropriate rates for exposures sold.

A minimum earned premium of 35.00% or the percentage shown in CAT Minimum Earned Endorsement (SRU-004), if shown as applicable, applies.

B. Policy Territory

This policy covers loss or damage occurring in The United States of America excluding all territories and possessions, foreign locations and Canada.

C. "Insured Location"

The coverages under this policy apply to an "insured location" unless otherwise provided.

An "insured location" is a "location" within the Policy Territory and:

1. listed on the Schedule of Locations attached to this policy or listed on the latest schedule on file with us; or
2. covered under the terms and conditions of the Property Off-Premises coverage extension; or
3. covered under the terms and conditions of the Miscellaneous Unnamed Locations coverage extension; or
4. covered under the terms and conditions of the Newly Acquired Property coverage extension.

E. Limit of Liability

We shall not be liable for more than US\$ 40,745,464 in any one "occurrence" regardless of the number of "locations" or coverages involved.

Program Sub-Limits of Liability

The sub-limits below constitute the program as a whole for the Insured. The Insurers' Limit of Liability is limited to its portion of the program as shown by the limits and layers stated in the SRU-023 Contract Allocation Endorsement.

The sub-limits of liability as specified under this provision, or any other part of this policy or the endorsements attached hereto, are part of and not in addition to the Limit of Liability. These sub-limits do not increase the Limit of Liability or any other sub-limit. We shall not be liable for more than the sub-limit specified.

When a sub-limit is shown as "in the aggregate", our maximum limit of liability will not exceed such limit during the term of the policy.

When a sub-limit applies to property that sub-limit also applies to any "time element" coverage associated with that property.

When a sub-limit is shown as No Coverage, it means that no coverage is provided for that aspect of the policy to which that sub-limit applies.

Program Sub-limits of Liability:		All are per "occurrence" (unless shown as in the aggregate) and are part of, not in addition to, the Limit of Liability.

1. Stated percentage deductibles, dollar deductibles, time exclusion or Average Daily Value deductibles which are related to a specific type of coverage or a specific type of property shall be deducted separately with respect to each such coverage or property. If two or more separate deductible amounts apply to the same specific type of coverage or to the same specific type of property, the total to be deducted shall be the largest applicable deductible amount.
2. Deductibles which are not designated as applying to a specific type of coverage or a specific type of property are combined deductibles and shall be deducted from the total loss from all applicable coverages.
3. Except as otherwise stated in the policy, if loss arising out of one "occurrence" is subject to any combination of deductibles, then the amount to be deducted shall be the larger of the deductible amounts as provided for in 1. above, or the largest applicable combined deductible.
4. The deductible amount(s) as determined above shall be deducted from the total loss you suffer arising out of one "occurrence" regardless of the number of "locations" involved, except as otherwise stated in the policy.
5. If a time deductible is designated, we will not be liable for any loss under that coverage that occurs during the specified time period immediately following the loss.
6. When the value of property insured is used in the calculation of a deductible, that value shall be determined according to the valuation provisions contained in this policy.

H. Language

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the DECLARATIONS. The words "we", "us" and "our" refer to the Company providing this insurance.

- (3) due to alteration, falsification, manipulation, concealment, destruction or disposal of records of accounts receivable committed to conceal the wrongful giving, taking, obtaining or withholding of money, securities or other property but only to the extent of such wrongful giving, taking, obtaining or withholding.

c. Conditions

- (1) We shall be permitted to inspect the premises and the receptacles in which the records of accounts receivable are kept by you, and to examine and audit your books and records at any time during the policy period and any extension thereof and within three (3) years after the final termination of this policy, as far as they relate to the premium bases or the subject matter of this extension, and to verify the statements of any outstanding record of accounts receivable submitted by you and the amount of recoveries of accounts receivable on which we have made any settlement.
- (2) After payment of loss, all amounts recovered by you on accounts receivable for which you have been indemnified shall belong and be paid to us by you up to the total amount of loss paid by us; but all recoveries in excess of such amounts shall belong to you.
- (3) When there is proof that a loss covered by this extension has occurred but you cannot accurately establish the total amount of accounts receivable outstanding as of the date of such loss, such amount shall be based on your monthly statements and shall be computed as follows:
 - a. determine the amount of all outstanding accounts receivable at the end of the same fiscal month in the year immediately preceding the year in which the loss occurs;

- b. calculate the percentage of increase or decrease in the average monthly total of accounts receivable for the twelve (12) months immediately preceding the month in which the loss occurs, or such part thereof for which you have furnished monthly statements to us, as compared with such average for the same months of the preceding year;
- c. the amount determined under **a.** above, increased or decreased by the percentage calculated under **b.** above, shall be the agreed total amount of accounts receivable as of the last day of the fiscal month in which said loss occurs;
- d. the amount determined under **c.** above shall be increased or decreased in conformity with the “normal” fluctuations in the amount of accounts receivable during the fiscal month involved, due consideration being given to the experience of the business since the last day of the last fiscal month for which statement has been rendered.

d. Deductions

There shall be deducted from the total amount of accounts receivable, however established, the amount of such accounts evidenced by records not lost or damaged, or otherwise established or collected by you, and an amount to allow for probable bad debts which would normally have been uncollectible by you. All unearned interest and service charges shall be deducted.

2. Debris Removal

- a. This policy is extended to cover your expense to remove debris of Covered Property at an “insured location” caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- b. Debris Removal does not apply to costs to:
 - (1) Extract "pollutants" from land or water; or
 - (2) remove, restore or replace polluted land or water.

3. Electronic Data Processing Equipment Breakdown

This policy is extended to cover direct physical loss or damage to covered electronic data processing equipment and component parts thereof while at an “insured location” and owned, leased or rented by you, or under your control and used by you to process information at “insured locations”; and which is caused by:

- a. Mechanical breakdown or machinery breakdown;
- b. Short circuit, blowout, or other electrical damage to electrical equipment, apparatus or devices, including wiring.

4. “Electronic Data Processing Media” Breakdown

This policy is extended to cover insured direct physical loss or damage to “electronic data processing media” that is:

- a. at an “insured location”;
- b. used in your operations to process and store information at an “insured location”; and
- c. caused by: Mechanical breakdown or machinery breakdown; short circuit, blowout, or other electrical damage to electrical equipment, apparatus, or devices, including wiring.

5. Expediting Expense

This policy is extended to cover, the reasonable and necessary extra costs of temporary repair of direct physical loss or damage by a Covered Cause of Loss to Covered Property at an “insured location” and the extra costs of expediting the permanent repairs or permanent replacement of such damaged property, whichever is less. In no event shall these expediting expenses include expenses recoverable elsewhere in this policy or the cost of permanent repair or replacement of the damaged property.

6. Fine Arts

This policy is extended to cover direct physical loss of or damage to your "fine arts" and "fine arts" of others that are in your care, custody or control from any of the Covered Causes of Loss, provided that the "fine arts" are at an "insured location".

You agree that "fine arts" will be packed and unpacked by competent packers.

7. Fire Department Service Charge

When the fire department is called to save or protect Covered Property at an "insured location" from a Covered Cause of Loss, we will pay for your liability for fire department service charges:

- a. Assumed by contract or agreement prior to loss; or
- b. Required by local ordinance.

8. Limited Coverage For "Fungus", Wet Rot, Dry Rot And "Bacteria"

- a. This policy is extended to cover loss or damage to Covered Property directly caused by or resulting from "fungus", wet or dry rot, or "bacteria" if such "fungus", wet or dry rot, or "bacteria" is directly caused by or results from insured direct physical loss or damage.
- b. As applied to this limited coverage for loss or damage by "fungus", wet or dry rot, and "bacteria", "loss or damage" means:
 - (1) Direct physical loss or damages to Covered Property by "fungus", wet or dry rot or "bacteria", including the cost of removal of the "fungus", wet or dry rot or "bacteria";
 - (2) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or "bacteria"; and
 - (3) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is reason to believe that "fungus", wet or dry rot or "bacteria" are present.
- c. The sub-limit for this extension of coverage is an annual aggregate and applies regardless of the number or type of coverages that may apply, the number of "locations" to which this extension of coverage applies, or regardless of the number or type of "fungus", wet or dry rot, or "bacteria" that caused the loss or damage. With respect to a particular "occurrence" of loss which results in "fungus", wet or dry rot or "bacteria", we will not pay more than the sub-limit stated for this coverage in the PROPERTY DAMAGE COVERAGE SCHEDULE even if the "fungus", wet or dry rot or "bacteria" continues to be present or active, or recurs, in a later policy period.

9. Miscellaneous Unnamed Locations

This policy is extended to cover your property, of the type we cover in this policy, which is at a "location" within the Policy Territory, in which you had an insurable interest prior to the inception date of this policy and which is:

- a. not on the Schedule of Locations attached to this policy or listed on the latest schedule on file with us; or
- b. listed on the Schedule of Locations attached to this policy or the latest schedule on file with us but for which you have not submitted values and
- c. not covered under any other extension of coverage under of this policy.

10. Newly Acquired Property

- a. This policy is extended to apply to property that you acquire after the inception date of this policy provided that the property:
 - (1) is of the type we cover in this policy; and
 - (2) is at a "location" within the Policy Territory.
- b. No coverage is provided under this provision for property at fairs or exhibitions.

- c. Insurance under this Extension for each newly acquired "location" will end when any of the following first occurs:

- (1) 30 days expire after you acquire or begin to construct the property; or
- (2) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

11. Ordinance or Law

- a. This policy is extended to provide the following coverage:

(1) Coverage For Loss To The Undamaged Portion Of The Building

With respect to the building at an "insured location" that has sustained covered direct physical damage, we will pay for the loss in value of the undamaged portion of the building, subject to the same basis of recovery which applies to the damaged portion of such building, as a consequence of enforcement of an ordinance or law that requires demolition of undamaged parts of the same building. The amount paid shall not include any greater cost of repair, replacement, construction or reconstruction due to the enforcement of any law or ordinance;

(2) Demolition Cost Coverage

With respect to the building at an "insured location" that has sustained covered direct physical damage, we will pay the cost to demolish the building and clear the site of undamaged parts of the same building, as a consequence of enforcement of an ordinance or law that requires demolition of such undamaged property.

Coinsurance does not apply to this coverage.

(3) Increased Cost Of Construction Coverage

- a. With respect to the building at an "insured location" that has sustained covered direct physical damage, if the basis of recovery is "repair or replacement cost", we will pay the increased cost, excess of (2) above to:

- (1) Repair or reconstruct damaged portions of that building; and/or
- (2) Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of enforcement of the minimum requirements of the ordinance or law.

However:

- (3) This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.
- (4) We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

- b. When a building is damaged or destroyed and coverage under this Increased Cost of Construction provision applies, coverage for the increased cost of construction also applies to repair or reconstruction of the following, subject to the same conditions stated in this Increased Cost of Construction provision:

- (1) The cost of excavations, grading, backfilling and filling;
- (2) Foundation of the building;
- (3) Pilings; and
- (4) Underground pipes, flues and drains.

The items listed in **b. (1)** through **b. (4)** above are deleted from Property Not Covered, but only with respect to the coverage described in this Increased Cost of Construction provision.

Coinsurance does not apply to this coverage.

- c.** The coverage in **a.** above applies only:
- (1)** if the ordinance or law regulates the demolition, construction or repair of buildings, or establishes zoning or land use requirements at the "insured location" and is in force at the time of loss.
 - (2)** in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this policy.
 - (3)** If the building sustains direct physical damage that is covered under this policy and such damage results in enforcement of the ordinance or law described above.
- d.** If the building sustains both direct physical damage that is covered under this policy and direct physical damage that is not covered under this policy, and the building damage in its entirety results in enforcement of the ordinance or law described in **b. (1)** above, we will not pay the full amount of loss otherwise payable under the terms of this Ordinance or Law provision. Instead, we will pay a proportion of such loss; meaning the proportion that the covered direct physical damage bears to the total direct physical damage.

However, if the covered direct physical damage, alone, would have resulted in enforcement of the ordinance or law described in **b. (1)** above, then we will pay the full amount of loss otherwise payable under the terms of this Ordinance or Law provision.

If the building sustains direct physical damage that is not covered, and such damage is the only subject of the ordinance or law, then there is no coverage under this extension of coverage even if the building has also sustained covered direct physical damage.

- e.** Under this policy we will not pay for loss due to any ordinance or law that:
- (1)** You were required to comply with before the loss, even if the building was undamaged; and
 - (2)** You failed to comply with.
- f.** Subject to the Sub-Limit of Liability for this Ordinance or Law Provision:
- (1)** For the coverage provided in **a. (2)** above, we will not pay more than the amount you actually spend to demolish and clear the site of the "insured location".
 - (2)** With respect to the coverage provided in **a. (3)** above:
 - a.** We will not pay for the increased cost of construction:
 - i.** Until the property is actually repaired or replaced, at the same or another premises; and
 - ii.** Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - b.** If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.
- g.** If a building, group of buildings or a "location" is subject to a sub-limit, then any coverage under this extension of coverage for that unit of insurance is part of, and not in addition to, that sub-limit.
- h.** We will not pay under this provision for:
- (1)** Enforcement of any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or "bacteria"; or

- (2) The costs associated with the enforcement of any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or "bacteria".

12. Outdoor Property

- a. Provided that such property is at an "insured location" or within 250 feet of an "insured location", this policy is extended to cover your outdoor fences, radio and television antennas (including satellite dishes), signs (other than signs attached to buildings), trees, shrubs and plants (other than "stock" of trees, shrubs or plants), including debris removal expense.
- b. Property covered under this endorsement is subject to all applicable provisions of the Covered Causes of Loss and Exclusions section, as well as to the following exclusions:

We will not pay for loss or damage caused by or resulting from any of the following:

- (1) Dampness or dryness of atmosphere;
- (2) Changes in or extremes of temperature;
- (3) Rain, snow, ice or sleet; or
- (4) Any auto, motorized vehicle or motorized equipment.

13. Pollutant Clean Up And Removal

- a. This policy is extended to cover your expense to extract "pollutants" from land or water at an "insured location" if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.
- b. This extension does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.
- c. The sub-limit for this extension is the most we will pay for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12 month period of this policy.

14. Preservation Of Property

If it is necessary to move Covered Property from an "insured location" to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- a. While it is being moved or while temporarily stored at another "location" provided that such property is within the Policy Territory; and
- b. Only if the loss or damage occurs within 30 days after the property is first moved.

15. Professional Fees

This policy is extended to cover expenses incurred by you or your representatives including auditors, accountants, appraisers, architects, engineers or other such professionals for producing and certifying particulars or details of your business required by us in order to arrive at the loss payable under this policy in event of a claim. However, no coverage shall apply to expenses incurred for the services of public adjusters or attorneys, insurance agents or brokers, or loss appraisers, nor for services of your employees unless agreed to by us prior to the use of their services.

16. Property Off-Premises

- a. You may extend the insurance provided by this policy to apply to your Covered Property while it is away from an "insured location", if it is within the Policy Territory and:
 - (1) Temporarily at a "location" you do not own, lease or operate; or
 - (2) At any fair, trade show or exhibition.

- b. This extension does not apply to property:
 - (1) In or on a vehicle; or
 - (2) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.

17. Property in Transit

- a. This policy is extended to cover your personal property, including your interest in and your liability for personal property of others while in your custody, while such property is in due course of transit within the Policy Territory.
- b. This extension does not insure against loss or damage to:
 - (1) the conveyance used as the mode of transportation (including any part of equipment thereof) or containers;
 - (2) property insured under any marine import or export policy;
 - (3) property shipped by mail or parcel post from the time it passes into the custody of the Postal Service;
 - (4) property while waterborne except while on navigable inland waters of the United States;
 - (5) samples of "merchandise" while in the care, custody or control of your salesmen or sales representatives.
- c. This extension does not insure against loss:
 - (1) with respect to vehicles operated by you, by theft from a vehicle while unattended unless the portion of the vehicle containing the insured property is of entirely closed construction and, at the time of loss, the doors of which shall have been securely locked and the windows of which shall have been firmly closed, and the loss is a direct result of forcible entry of which there shall be visible evidence;
 - (2) due to any fraudulent, dishonest or criminal act or omission by you or a partner of yours; or by theft by any of your employees, while working or otherwise, or by any person to whom the property is entrusted, but this exclusion does not apply to property in the custody of a carrier for hire;
 - (3) resulting from interruption of business, delay, loss of market or use, or indirect or consequential loss of any kind;
 - (4) caused directly or indirectly by seizure or destruction under quarantine or customs regulations, confiscation by order of any government or public authority, or risks of contraband or illegal transportation or trade.
- d. Benefit to Bailee
This extension shall not insure directly or indirectly to the benefit of any carrier or other bailee.
- e. As respects this extension, all subrogation provisions of this policy are superseded by the following:
 - (1) Any act or agreement by you before or after loss whereby your rights to recover in whole or in part for loss to property against any carrier for hire, bailee, or other party liable therefore, is released, impaired or lost, shall render this insurance null and void, but our right to retain or recover the premium shall not be affected. You, however, may, without prejudice to this insurance, accept the ordinary limited liability form receipts or bills of lading issued by carriers for hire. We are not liable for any loss which you settle or compromise without our written consent.
 - (2) Upon payment of any loss or advancement or loan of money concerning the same, you will, at our request and expense and through such counsel as we may designate, make claim upon and institute legal proceedings against any carrier, bailee or other parties believed to be liable for such loss, and will use all proper and reasonable means to recover the same.
- f. General Average and Salvage

This extension covers general average and salvage charges on property covered by this extension while waterborne.

g. Attachment of Liability

Coverage provided by this extension attaches from the time the property leaves the initial point of shipment until same is delivered at destination. This insurance covers only such shipments, the transportation of which begins within the term of this policy, even though said transportation is not completed within such time and loss or damage may occur after the end of such time.

h. Export and Import Shipments

Coverage provided by this extension shall apply to export shipments only until 'on board' bills of lading are issued or coverage under ocean marine policy attaches. This extension shall also cover import shipments, but only after coverage on such shipments under ocean marine policies has ceased, or, if not insured under ocean marine policies, after discharge from overseas vessel.

i. F.O.B. Shipments

Coverage provided by this extension shall apply to your contingent interest in shipments of property sold F.O.B. (free on board) point of shipment or otherwise, provided that any loss recoverable under this extension to such property is not collectible from any other insurance.

j. Fraudulent Bills of Lading

Coverage provided by this extension shall also apply to loss of "merchandise" occasioned by the unintentional acceptance of fraudulent bills of lading, shipping or messenger receipts.

k. Backhaul Exclusion

This extension does not insure against loss or damage to personal property of others while in your custody if such property is being transported by you in or on vehicles owned, operated, leased or otherwise contracted by you when you are acting as a common or contract carrier.

18. Service Interruption

- a. This policy is extended to pay for loss of or damage to Covered Property at an "insured location", caused by an interruption in utility service to an "insured location". The interruption in utility service must result from direct physical loss or damage by a Covered Cause of Loss to "utility services" located off an "insured location".
- b. Coverage under this extension for loss or damage to Covered Property does not apply to loss or damage to "electronic data" or "electronic computer programs", including destruction or corruption of "electronic data" or "electronic computer programs".

19. Valuable Papers And Records (Other Than "Electronic Data")

- a. Coverage for Your Business Personal Property under this policy is extended to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this extension does not apply to valuable papers and records which exist as "electronic data" or "electronic computer programs".
- b. Under this extension we will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist), and (when there is a duplicate) for the cost of labor to transcribe or copy the records.

TIME ELEMENT COVERAGE

A. Coverage

This policy includes the following coverage. The coverage will not increase the Limit of Liability of this policy and is subject to the applicable sub-limit and the policy provisions, including applicable exclusions and deductibles.

1. Business Income

- a. We will pay for your actual loss sustained of "business income" due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to Covered Property at an "insured location". The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, "insured location" includes the area within 250 feet of the "insured location".
- b. With respect to the requirements set forth in the preceding paragraph, if you occupy only a part of a site an "insured location" means:
 - (1) The portion of the building which you rent, lease or occupy; and
 - (2) Any area within the building or on the site, if that area services, or is used to gain access to, the "insured location".

2. Extra Expense

- a. We will pay "extra expense" (other than the expense to repair or replace property) to:
 - (1) Avoid or minimize the "suspension" of business and to continue operations at an "insured location" or at replacement premises or temporary "locations", including relocation expenses and costs to equip and operate the replacement "location" or temporary "location";
 - (2) Minimize the "suspension" of business if you cannot continue "operations" following direct, physical loss or damage to Covered Property at an "insured location" that is caused by or results from a Covered Cause of Loss.
- b. We will also pay "extra expense" to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this policy.

3. Leasehold Interest

- a. This policy covers the following expenses if directly caused by insured direct physical loss or damage to covered buildings from a Covered Cause of Loss if the building is leased by you and located at an "insured location":
 - (1) The actual rent which remains payable for the unexpired term of the "lease" if such property becomes wholly untenable or unusable and the lease agreement requires continuation of the rent payment; or
 - (2) The proportion of the actual rent which remains payable for the unexpired term of the "lease" if such property becomes partially untenable or unusable and the lease agreement requires continuation of the rent payment; or
 - (3) The "leasehold interest" for the first three (3) months following loss or damage and the "net leasehold interest" for the remaining unexpired term of the lease if the lease is canceled by the lessor pursuant to the lease agreement or by the operation of law.
- b. This coverage does not insure against any loss or expense resulting from:
 - (1) The suspension, lapse, or cancellation of any license; or
 - (2) Your exercising an option to cancel the "lease"; or
 - (3) Any act or omission by you which constitutes a default under the "lease".
- c. It is a condition of this coverage that you shall use any suitable property or service owned or controlled by you or obtainable from another source to reduce the amount of loss hereunder.

- d. This policy does not provide this coverage for more than the number of consecutive days shown in the Sub-Limits of Liability section of the PROPERTY DAMAGE COVERAGE SCHEDULE, nor more than the dollar limit of liability shown in the same section.

4. Rental Value

We will pay for the actual loss of "rental value" you sustain due to the necessary "suspension" of your "operations" during the "period of restoration" caused by direct physical loss of or damage to Covered Property at an "insured location". The loss or damage must be caused by or result from Covered Cause of Loss.

B. Time Element Extensions of Coverage

This policy includes the following extensions of coverage. These extensions of coverage will not increase the Limit of Liability of this policy and are subject to the applicable sub-limit and policy provisions, including applicable exclusions and deductibles.

1. Civil Authority

This policy is extended to cover, for up to the greater of fourteen (14) days or the number of days stated in the Sub-Limit of Liability section of the PROPERTY DAMAGE COVERAGE SCHEDULE, the actual loss of "business income" you sustain and necessary "extra expense" caused by action of civil authority that prohibits access to an "insured location" due to direct physical loss of or damage to property of the type covered, within one statute mile of that "insured location", caused by or resulting from any Covered Cause of Loss.

2. Contingent Business Income

This policy is extended to cover the actual loss of "business income" you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to "contingent property" located within the Policy Territory caused by or resulting from a Covered Cause of Loss.

3. Extended Period of Indemnity

If the necessary "suspension" of your "operations" produces a loss payable under Business Income or Rental Value coverage, this policy is extended to pay for the actual loss of "business income" or "rental value" you incur during the period that:

- a. Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and
- b. Ends on the earlier of:
 - (1) The date you could restore your "operations" or tenant occupancy, with reasonable speed, to the level which would generate the "business income" or "rental value" amount that would have existed if no direct physical loss or damage had occurred; or
 - (2) 30 consecutive days after the date determined in a. above.

This extension does not apply to loss of "business income" or "rental value" incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area of the "insured location".

Loss of "business income" or "rental value" must be caused by direct physical loss or damage at an "insured location" caused by or resulting from any Covered Cause of Loss.

4. Ingress or Egress

This policy is extended to cover, for up to the greater of fourteen (14) days or the number of days stated in the Sub-Limit of Liability section of the PROPERTY DAMAGE COVERAGE SCHEDULE, the actual loss of "business income" you sustain due to the necessary "suspension" of your "operations" during the period of time when, as a direct result of direct physical damage caused by a Covered Cause of Loss to property of the type covered at an "insured location" or within one statute mile of an "insured location", ingress to or egress from an "insured location" is thereby physically prevented.

5. Newly Acquired Property

- a. Your Business Income and Extra Expense Coverages are extended to apply to property at any "location" within the Policy Territory that you acquire other than fairs or exhibitions.
- b. Insurance under this Extension for each newly acquired "location" will end when any of the following first occurs:
 - (1) This policy expires;
 - (2) 30 days expire after you acquire or begin to construct the property; or
 - (3) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

6. Service Interruption

- a. Your Business Income and Extra Expense coverage are extended to apply to a "suspension" of "operations" at an "insured location" caused by an interruption in utility service to that "insured location". The interruption in utility service must result from direct physical loss or damage by a Covered Cause of Loss to "utility services" located off the "insured location" but within 1,500 feet of that "insured location".
- b. Coverage under this extension for loss or damage to Covered Property does not apply to loss or damage to "electronic data" or "electronic computer programs", including destruction or corruption of "electronic data" or "electronic computer programs".

C. Time Element Conditions

The following conditions apply to any "time element" coverage that may be included in this policy.

1. Identity of Interests

If you are comprised of more than one legal entity, liability shall not exceed the amount of loss had all interests comprised a single legal entity.

2. Resumption of Operations

It is a condition of this insurance that if you could reduce "time element" loss:

- a. by complete or partial resumption of operation of business, whether at the damaged premises or elsewhere; or
- b. by making use of any "stock" at your "location(s)", or elsewhere; or
- c. by making use of any other available source of materials or services; or
- d. by making use of any other available outlet for product(s) or service(s);

such reduction shall be taken into account in arriving at the amount of loss.

If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

If Extra Expense coverage is provided, you shall resume "normal" operation of the business and dispense with "extra expense" as soon as practicable.

3. Property in the Course of Construction

The amount of "time element" loss resulting from physical damage to Covered Property in the course of construction which delays your commencement of "operations" shall be calculated by applying the length of time, determined as otherwise provided herein, to the level of "operations" or production that would have been reasonably achieved after construction and start-up would have been completed had no physical damage occurred.

4. Experience of the Business

The amount of "time element" loss as insured against by this policy shall be determined based on:

- a. experience of the business before the loss;
- b. the probable experience thereafter had no loss occurred; Such probable experience shall not include any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses;
- c. The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
- d. Other relevant sources of information, including:
 - (1) Your financial records and accounting procedures;
 - (2) Bills, invoices and other vouchers; and
 - (3) Deeds, liens or contracts.

If Extra Expense coverage is provided by this policy, such loss shall be determined based on:

- a. All expenses that exceed the "normal" operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
 - (1) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
 - (2) Any "extra expense" that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
- b. Necessary expenses that reduce the loss under the Business Income coverage part that otherwise would have been incurred.

5. Time Element Exclusions

Except as provided in the Time Element Extension of Coverage, we will not pay for "time element" coverage for:

- a. Any loss caused directly or indirectly by the failure of power or other utility service supplied to an "insured location", however caused, if the failure occurs outside of a covered building. Failure includes lack of sufficient capacity and reduction in supply.

But if the failure of power or other utility service results in a Covered Cause of Loss, we will pay for the loss resulting from that Covered Cause of Loss.

- b. Any loss caused by or resulting from:
 - (1) Damage or destruction of "finished stock"; or
 - (2) The time required to reproduce "finished stock".

This exclusion does not apply to Extra Expense coverage.

- c. Any loss caused by or resulting from direct physical loss or damage to radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers.
- d. Any increase of loss caused by or resulting from:

But if the suspension, lapse or cancellation is directly caused by the "suspension" of "operations", we will cover such loss that affects your "business income" during the "period of restoration" and any extension of the "period of restoration" in accordance with the terms of the Extended Period of Indemnity extension of coverage.

- e. Any "extra expense" caused by or resulting from suspension, lapse or cancellation of any license, lease or contract beyond the "period of restoration".

- (1) An ordinance or law that is enforced even if the property has not been damaged; or
- (2) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

This exclusion replaces any other nuclear detonation, nuclear reaction, nuclear radiation or radioactive contamination exclusions found elsewhere in this policy.

This exclusion applies regardless of whether any of the above, in Paragraphs 1. through 5., is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs 1. through 5., results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

- a. Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.

 - (2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.
- d. Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

However, this limitation does not apply to:

- (1) Building materials and supplies held for sale by you, unless they are insured under a Builders Risk Coverage Form; or

 - (2) To Business Income coverage or to Extra Expense coverage.
3. The special limit shown for each category, **a.** through **d.**, is the total limit for loss of or damage to all property in that category. The special limit applies to any one "occurrence" of theft, regardless of the types or number of articles that are lost or damaged in that "occurrence". The special limits are:
- a. \$2,500 for furs, fur garments and garments trimmed with fur.

6. If notice is mailed, proof of mailing will be sufficient proof of notice.

B. Other Common Policy Conditions

1. Changes

This policy contains all the agreements between you and us concerning the insurance afforded. The first Named Insured shown in the DECLARATIONS is authorized to make changes in the terms of this policy with our consent. This policy's terms can be amended or waived only by endorsement issued by us and made a part of this policy.

 - (2) Give you reports on the conditions we find; and
 - (3) Recommend changes.
- b. We are not obligated to make any inspections, surveys, reports or recommendations and any such actions we do undertake relate only to insurability and the premiums to be charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. And we do not warrant that conditions:

Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties but only with respect to that property.

C. Loss Conditions

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the values of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request.

(8) Cooperate with us in the investigation or settlement of the claim.

(9) If you intend to continue your business, you must resume all or part of your "operations" as quickly as possible.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Insurance under Two or More Coverages

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

5. Loss Payment

a. In the event of loss or damage covered by this policy, at our option, we will either:

(1) Pay the value of lost or damaged property;

(2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;

(3) Take all or any part of the property at an agreed or appraised value; or

(4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this policy or any applicable provision which amends or supersedes the Valuation Condition.

b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.

d. We will not pay you more than your financial interest in the Covered Property.

e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.

f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this policy and:

(1) We have reached agreement with you on the amount of loss; or

(2) An appraisal award has been made.

6. Other Insurance

a. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this policy. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable limit or sub-limit under this policy bears to the limits of insurance of all insurance covering on the same basis.

b. If there is other insurance covering the same loss or damage, other than that described in **a** above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable limit or sub-limit.

7. Underlying Insurance

Permission is granted to you to purchase insurance on all or any part of the deductibles of this policy and the existence of such underlying insurance shall not prejudice any recovery otherwise payable under this policy.

8. Excess Insurance

Excess insurance is insurance over the limit of liability set forth in this Policy. The existence of such excess insurance shall not prejudice the coverage provided under this Policy nor will it reduce any liability hereunder.

9. Salvage and Recovery

When, in connection with any loss hereunder, any salvage or recovery is received subsequent to the payment of such loss, the loss shall be figured on the basis on which it would have been settled had the amount of salvage or recovery been known at the time the loss was originally determined. Any amount thus found to be due either party from the other shall be paid promptly.

The expense of all proceedings necessary to such recoveries shall be apportioned between the interests concerned in the ratio of their respective recoveries as finally settled. If there should be no recovery and proceedings are conducted solely by us, we will pay the expense of the proceeding.

10. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Liability or applicable sub-limit, whichever is smaller.

11. Vacancy

a. This policy insures:

- (1) "vacant" or "unoccupied" buildings, including Covered Property therein, at "insured location(s)"; or
- (2) Covered Property at "insured location(s)" where the Insured has ceased operations.

b. All subject to and provided that:

- (1) existing fire protection, watch and alarm services at such "insured location(s)" are maintained; and
- (2) written notice is given to the Company prior to the 60th consecutive calendar day of cessation of operations, vacancy or unoccupancy.

c. We will not pay for any loss or damage if the building where loss or damage occurs has been "vacant" or "unoccupied" for more than 60 consecutive days before that loss or damage.

d. This extension excludes coverage from loss due to theft, attempted theft, vandalism, malicious mischief, sprinkler leakage (unless the Insured has protected the system against freezing), or building glass breakage.

12. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

a. At the "repair or replacement cost" as of the time of loss or damage, except as provided in **b.**, **c.**, **d.** and **e.** below.

- b. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.
- c. Glass at the cost of replacement with safety glazing material if required by law.
- d. Tenant's Improvements and Betterments at:

- (1) Actual cash value of the lost or damaged property if you make repairs promptly.
- (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
 - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this calculation.

- (3) Nothing if others pay for repairs or replacement.

- e. "Electronic data processing media": the cost of the blank "electronic data processing media" plus the cost of copying the "electronic data" or "electronic computer programs" from back-up or from originals of the previous generation, even though "electronic data" and "electronic computer programs" are not covered by this policy. These costs will not include research and engineering or any costs of restoring, gathering, assembling or recreating such "electronic data" or "electronic computer programs". Nor does this policy insure any amount pertaining to the value of such "electronic data" or "electronic computer programs" to you or any other party, even if such "electronic data" or "electronic computer programs" cannot be restored, recreated, gathered or assembled.

In no event shall the value include any additional cost directly or indirectly associated with the enforcement of any law or ordinance regulating the storage, processing, collection, transmission, recording, management, privacy or protection of "media", "electronic data processing media", "data", "electronic data", "programs" or "electronic computer programs".

If the "electronic data processing media" is not repaired, replaced or restored, the basis of valuation shall be the cost of the blank "electronic data processing media".

- f. "fine arts" the least of the following amounts:

- (1) The actual cash value of that property;
- (2) The cost of reasonably restoring that property to its condition immediately before loss or damage; or
- (3) The cost of replacing that property with substantially identical property.

In the event of loss or damage, the value of property will be determined as of the time of loss or damage.

- g. Property in transit: the amount of invoice, including prepaid or advanced freight, if any, your profit or commission as selling agent, and such other costs and charges as may have accrued and become legally due thereon since shipment. In the absence of an invoice, the property shall be valued at its actual cash value at point of shipment.

D. Additional Conditions

1. Coinsurance

If a Coinsurance percentage is shown for Building, Personal Property, Business Income or Rental Value coverage in the PROPERTY DAMAGE COVERAGE SCHEDULE, the following condition applies to that particular property or coverage.

We will not pay the full amount of any loss if the value at the time of loss times the Coinsurance percentage shown in the PROPERTY DAMAGE COVERAGE SCHEDULE for the applicable property or coverage is greater than the last reported value prior to the loss to that property or for that particular coverage.

Instead, we will determine the most we will pay using the following steps:

- (1)** Multiply the value for the particular property or coverage at the time of loss by the Coinsurance percentage;
- (2)** Divide the last reported value prior to the loss for that coverage or property by the figure determined in step **(1)**;
- (3)** Multiply the total amount of loss, before the application of any deductible, by the figure determined in step **(2)**; and
- (4)** Subtract the deductible from the figure determined in step **(3)**.

We will pay the amount determined in step **(4)** or any applicable limit of liability or sub-limit of liability, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

For the purposes of the application of this provision, value shall mean:

For Building, Personal Property or Property Damage: the value of Covered Property.

For Business Income: the "business income" that would have been earned or incurred (had no loss occurred) by your "operations" at the "insured location" and all other "locations" where "business income" loss ensues for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

For Rental Value: "rental value" that would have been earned or incurred (had no loss occurred) by your "operations" at the "insured location" for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

2. Concealment, Misrepresentation or Fraud

This policy is void in any case of fraud by you as it relates to coverage provided by this policy at any time. It is also void if you or any other insured, at any time, intentionally conceals or misrepresents a material fact concerning:

- a.** This policy;
- b.** The Covered Property;
- c.** Your interest in the Covered Property; or
- d.** A claim under this policy.

3. Control of Property

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this policy at any one or more "insured locations" will not affect coverage at any "insured location" where, at the time of loss, the breach of condition does not exist.

4. Knowledge or Control

We will not pay for loss or damage while the chance of loss or damage is increased by any means within your knowledge or control.

5. Legal Action against Us

No one may bring a legal action against us under this policy unless:

- a. There has been full compliance with all of the terms of this policy; and
- b. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

6. Mortgageholders

- a. The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each Mortgageholder shown in the Schedule in their order of precedence, as interests may appear.
- c. The Mortgageholder has the right to receive loss payment even if the Mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this policy, the Mortgageholder will still have the right to receive loss payment if the Mortgageholder:
 - (1) Pays any premium due under this policy at our request if you have failed to do so;
 - (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
 - (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the Mortgageholder.

All of the terms of this policy will then apply directly to the Mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this policy:
 - (1) The Mortgage holder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The Mortgage holder's right to recover the full amount of the Mortgage holder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the Mortgageholder at least 10 days before the effective date of cancellation.
- g. If we elect not to renew this policy, we will give written notice to the Mortgageholder at least 10 days before the expiration date of this policy.

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

8. Policy Period, Policy Territory

Under this policy:

- a. We cover loss or damage commencing:
 - (1) During the policy period shown in the DECLARATIONS; and
 - (2) Within the Policy Territory.

9. Transfer of Rights of Recovery against Others to Us

If any person or organization to or for whom we make payment under this policy has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

- a. Prior to a loss to your Covered Property.

b. After a loss to your Covered Property only if, at time of loss, that party is one of the following:

- (1) Someone insured by this insurance;

10. Conformity with Statute

Terms of this policy, which are in conflict with the statutes of the state wherein this policy is issued, are hereby amended to conform to such statutes.

11. Subrogation

The Insurers may require from the Insured an assignment of all right of recovery against any party for loss to the extent that payment has been made by the Insurers, but the Insurers shall not acquire any rights of recovery which the Insured has expressly waived in writing prior to loss nor shall such waiver in writing affect the Insured's rights under this Policy.

The Insurers do waive rights of recovery against any unit-owner of a Condominium Association.

However, notwithstanding the foregoing, the Insurers shall be subrogated to all the Insured's rights of recovery against:

1. any Architect or Engineer, whether named as an Insured or not, for any loss or damage arising out of the performance of professional services in their capacity as such and caused by an error, omission, deficiency or act of the Architect or Engineer, by any person employed by them or by any others for whose acts they are legally liable, and
2. any manufacturer or supplier of machinery, equipment or other property, whether named as an Insured or not, for the cost of making good any loss or damage which said party has agreed to make good under a guarantee or warranty, whether expressed or implied.

Any recovery as a result of subrogation proceedings arising out of an "occurrence", after expenses incurred in such subrogation proceedings are deducted, shall accrue to the Insured in the proportion that the deductible amount and/or any provable uninsured loss amount bears to the entire provable loss amount.

The Insured will cooperate with the Insurers and, upon the Insurers' request and expense will:

1. Attend hearings and trials; and
2. Assist in effecting settlements

1. PRIORITY OF PAYMENTS (applicable to primary or Underlying Policy(ies) only)

Any recoveries made under this policy shall first apply to loss or damage not insured by the excess policy(ies). Upon exhaustion of this policy's limit, the excess policy(ies) shall step down and be liable for the loss in excess of the amount attributed to this policy as respects loss or damage insured thereunder subject to the excess policy(ies) limits.

2. STEP DOWN / DROP DOWN (applicable to excess policies only)

In determining the amount of any loss or damage for which this policy is excess, the total loss caused by any combination of loss or damage, all of which are insured against under the primary policy or underlying policy, shall be used even though such loss or damage is not insured against under this excess policy.

A. Any recoveries made under the primary or Underlying Policy shall first apply to loss or damage not insured against by this policy. Upon exhaustion of the primary or Underlying Policy limits, this policy shall apply in excess of the amount attributed to the primary or Underlying Policy as respects loss or damage insured hereunder subject to the limit of this policy.

B. If there is any other excess insurance insuring the property insured hereunder for loss or damage insured against in the primary or Underlying Policy but not insured by this policy, this policy shall then allocate any loss recoveries made under the primary or Underlying Policy in the same proportion as the amount of loss or damage insured against by this policy bears to the combined total loss. Upon exhaustion of the primary or Underlying Policy limits, this policy shall apply in excess of the amount attributed to the primary or Underlying Policy as respects loss or damage insured hereunder subject to the limit of this policy.

C. Sub-Paragraph B. above shall not apply, however, when the amount of loss attributed to loss or damage insured under the primary or Underlying Policy, but not insured under this policy, exceed the total amount of insurance provided by the primary and excess coverages with respect to said loss or damage. In this situation, any recoveries made under the primary or Underlying Policy shall first apply to loss or damage not insured by this policy. Upon exhaustion of the primary or Underlying Policy limits, this policy shall apply in excess of the amount attributed to the primary or Underlying Policy as respects loss or damage insured hereunder subject to the limit of this policy.

D. It is further agreed, in the event the Flood and/or "Earthquake" annual aggregate limits of any primary or underlying policy are diminished or exhausted in any one policy year, any loss or damage insured under this policy for Flood and/or "Earthquake" shall apply as excess of any undiminished or unexhausted limits subject to the Underlying Policy deductibles. All other terms and conditions of this policy remain unchanged.

The term "any kind of seepage or any kind of pollution and/or contamination" as used in this Endorsement includes (but is not limited to):

3. The Assured must report to Underwriters the existence and cost of the damage as soon as practicable after the Listed Peril first damaged the asbestos. However, this Policy does not insure any such damage first reported to the Underwriters more than 12 months after the expiration, or termination, of the period of insurance.
4. Insurance under this Policy in respect of asbestos shall not include any sum relating to:
 - a. Any faults in the design, manufacture or installation of the asbestos;
 - b. Asbestos not physically damaged by the Listed Peril including any governmental or regulatory authority direction or request of whatsoever nature relating to undamaged asbestos.

This exclusion applies regardless of whether any of the above, in Paragraphs 1. through 5., is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs 1. through 5., results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

A. This policy only insures

1. Physical loss or damage to insured property by mold, mildew or fungus when directly caused by a peril insured by this Policy occurring during the policy period
Or
2. Physical loss or damage, occurring during the policy period, to insured property by a peril insured by this policy resulting directly from mold, mildew or fungus.

This coverage is subject to all limitations in the policy to which this endorsement is attached and, in addition, to each of the following specific limitations:

1. The said property must otherwise be insured under this policy for physical loss or damage by that peril.
2. The Assured must report to Underwriters the existence and cost of the physical loss or damage by mold, mildew or fungus as soon as practicable, but no later than twelve (12) months after the peril first caused any physical loss or damage to insured property during the policy period. This policy does not insure any physical loss or damage by mold, mildew or fungus first reported to Underwriters after that twelve (12) month period.
3. Regardless of circumstance or other policy provisions, the maximum amount insured and payable under this policy for all mold, mildew or fungus caused by or resulting from such peril is \$25,000 for all parts of any claim and in total (the aggregate limit) for the policy period. Pre-Existing Damage Exclusion Endorsement

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

It is understood and agreed that this policy shall exclude any loss or damage directly or indirectly caused by, resulting from or contributed to by any pre-existing building damage at the time of this Certificate's or this policy's inception. This exclusion shall be removed upon substantial completion of repair or reconstruction of the damaged building.

Sinkhole Loss Endorsement

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the:

AmWINS PROPERTY FORM

It is understood and agreed that this policy is extended to cover Sinkhole Loss, excluding locations in the entire State of Florida.

For locations in the State of Florida, the following is added as a Covered Cause Of Loss:

CATASTROPHIC GROUND COVER COLLAPSE

We will pay for direct physical loss or damage to Covered Property caused by or resulting from catastrophic ground cover collapse, meaning geological activity that results in all of the following:

- (a) The abrupt collapse of the ground cover;
- (b) A depression in the ground cover clearly visible to the naked eye;
- (c) Structural damage to the building, including the foundation; and
- (d) The insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

However, structural damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute loss or damage resulting from a catastrophic ground cover collapse.

The Earth Movement exclusion and the Collapse exclusion do not apply to coverage for Catastrophic Ground Cover Collapse.

Coverage for Catastrophic Ground Cover Collapse does not increase the applicable Limit of Liability. Regardless of whether loss or damage attributable to catastrophic ground cover collapse also qualifies as Sinkhole Loss or Earthquake (if either or both of those causes of loss are covered under this Policy), only one Limit of Liability will apply to such loss or damage.

Sinkhole Loss is defined as:

1. As respects locations in all states, EXCEPT Florida:

Sinkhole Loss means: The sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This does not include:

- a. The cost of filling sinkholes; or
- b. Sinking or collapse of land into man-made underground cavities.

2. As respects locations in Florida:

a. **Sinkhole Loss**, means loss or damage to Covered Property when "structural damage" to the covered **Building**, including the foundation, is caused by settlement or systematic weakening of the earth supporting the covered **Building**, only if the settlement or systematic weakening results from contemporaneous movement or raveling of soils, sediments, or rock materials into subterranean voids created by the effect of water on a limestone or similar rock formation.

Coverage for Sinkhole Loss includes stabilization of the **Building** (including land stabilization) and repair to the foundation, provided such work is in accordance with the requirements of

Florida Insurance Law and in accordance with the recommendation of a professional engineer and with notice to the Insured. The professional engineer must be selected or approved by the Companies. However, until the Insured enters into a contract for performance of building stabilization or foundation repair in accordance with the recommendations of the professional engineer as set forth in a report from the Companies:

- 1) The Companies will not pay for underpinning or grouting or any other repair technique performed below the existing foundation of the **Building**; and
- 2) The Companies' payment for Sinkhole Loss to Covered Property may be limited to the Actual Cash Value of the loss to such property.

The Insured must enter into a contract for the performance of building stabilization and/or foundation repair in accordance with the aforementioned recommendations, within 90 days after the Companies notify the Insured that there is coverage for Sinkhole Loss. After the Insured has entered into such contract, the Companies will pay the amounts necessary to begin and perform such repairs as the work is performed and the expenses are incurred.

However, if the professional engineer determines, prior to the Insured entering into the aforementioned contract or prior to the start of repair work, that the repairs will exceed the applicable Limit of Insurance, the Companies must either complete the recommended repairs or pay that Limit of Insurance upon such determination. If the aforementioned determination is made during the course of repair work and the Companies have begun making payments for the work performed, the Companies must either complete the recommended repairs or pay only the remaining portion of the applicable Limit of Insurance upon such determination. The most the Companies will pay for the total of all Sinkhole Loss, including **Building** and land stabilization and foundation repair, is the applicable Limit of Insurance on the affected **Building**.

The stabilization and all other repairs to the Covered Property must be completed within 12 months after entering into the contract for the performance of these repairs, unless:

- 1) There is a mutual agreement between the Insured and the Companies;
- 2) The claim is involved with the neutral evaluation process;
- 3) The claim is in litigation; or
- 4) The claim is under appraisal or mediation.

b. Sinkhole Loss does not include:

- 1) Sinking or collapse of land into man-made underground cavities; or
- 2) Earthquake.

c. With respect to a claim for alleged Sinkhole Loss, the following provision is added:

Following receipt by the Companies of a report from a professional engineer or professional geologist on the cause of loss and recommendations for land stabilization and repair of property, or if the Companies deny the claim, the Companies will notify the Insured of his right to participate in a neutral evaluation program administered by the Florida Department of Financial Services (hereinafter referred to as the Department). For alleged Sinkhole Loss to commercial residential or farm residential properties, this program applies instead of any mediation procedure set forth elsewhere in this policy, but does not invalidate the Appraisal Condition.

Either party may file a request with the Department for neutral evaluation; the other party must comply with such request. The Companies will pay reasonable costs associated with the neutral evaluation, regardless of which party makes the request. But if a party chooses to hire a court reporter or stenographer to contemporaneously record and document the

neutral evaluation, that party must bear the costs of those services. The neutral evaluator will be selected from a list maintained by the Department. The recommendation of the neutral evaluator will not be binding on either party.

Participation in the neutral evaluation program does not change the Insured's right to file suit against the Companies, except that the time for filing suit is extended for a period of 60 days following the conclusion of the neutral evaluation process or five years, whichever is later.

d. Coverage for Sinkhole Loss does not increase the applicable Limit of Insurance. Even if loss or damage qualifies under, or includes, both Catastrophic Ground Cover Collapse (addressed elsewhere) and Sinkhole Loss, only one Limit of Insurance will apply to such loss or damage.

e. The following provision is added to the Duties In The Event Of Loss or Damage Condition:

A claim for Sinkhole Loss, including but not limited to initial, supplemental and reopened claims is barred unless notice of claim is provided to the Companies in accordance with the terms of this policy within two years after the Insured knew or reasonably should have known about the Sinkhole Loss.

The following definitions are added with respect to the coverage provided for Sinkhole loss:

1) "Structural damage" means a covered **Building**, regardless of the date of its construction, has experienced the following:

- a) Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior **Building** structure or members become unfit for service or represent a safety hazard as defined within the Florida Building Code;
- b) Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the "primary structural members" or "primary structural systems" and that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those "primary structural members" or "primary structural systems" exceed one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
- c) Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical "primary structural members" to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
- d) Damage that results in the building, or any portion of the **Building** containing "primary structural members" or "primary structural systems", being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such **Building** as defined within the Florida Building Code; or
- e) Damage occurring on or after October 15, 2005, that qualifies as substantial structural damage as defined in the Florida Building Code.

2) "Primary structural member" means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.

3) "Primary structural system" means an assemblage of "primary structural members".

f. If the Companies deny the claim for Sinkhole Loss without performing testing under section 627.7072, Florida Statutes, the Insured may demand testing by communicating such demand to the Companies in writing within 60 days after the Insured receives the Companies' denial of the claim. The Insured is responsible for 50% of the testing costs, or \$2,500, whichever is less. If the Companies' professional engineer or geologist provides written certification, pursuant to section 627.7073, that there is sinkhole loss, the Companies will reimburse the Insured for the testing costs.

g. The Insured may not accept a rebate from any person performing repairs for Sinkhole Loss. If the Insured receives a rebate, coverage under this Policy is void and the Insured must refund the amount of the rebate to the Companies.

h. If the Companies deny the claim for Sinkhole Loss upon receipt of written certification from a professional engineer or geologist, pursuant to section 627.7073, that there is no Sinkhole loss or that the cause of the damage was not Sinkhole activity, and if the Sinkhole claim was submitted without good faith grounds for submitting such claim, the Insured shall reimburse the Companies for 50% of the actual costs of the analyses and services provided under sections 627.7072 and 627.7073, or \$2,500, whichever is less. The Insured is not required to pay such reimbursement unless the Insured requested the analysis and services and the Companies, before ordering the analysis, informed the Insured in writing of the potential for reimbursement and gave the Insured the opportunity to withdraw the claim.

i. As a precondition to accepting payment for Sinkhole loss, the Insured must file with the county clerk of court, a copy of any Sinkhole report regarding the property which was prepared on behalf or at the Insured's request. The Insured will bear the cost of filing and recording the sinkhole report.

All Other Wind & Hail Deductible:	\$50,000 Per Occurrence

The “Named Storm” Deductible, as shown above, applies to loss or damage to Covered Property caused directly or indirectly by a “Named Storm”, regardless of any other cause or event that contributes concurrently or in any sequence to the loss or damage. If loss or damage from a covered weather condition other than a “Named Storm” occurs, and that loss or damage would not have occurred but for the “Named Storm”, such loss or damage shall be considered to be caused by the “Named Storm” and therefore part of the “Named Storm” occurrence.

A “Named Storm” means including, but not be limited to, storm, cyclone, typhoon, atmospheric disturbance, depression or other weather phenomena designated by the US National Hurricane Center and where a name (and not only a number) has been applied.

If a windstorm is not declared to be a “Named Storm” and there is loss or damage to Covered Property, the All Other Wind & Hail Deductible listed above will apply.

Deductible Clause:

A deductible amount is calculated and applied based on the amount or percentage as shown above.

- A. If the deductible is on a per building basis, the deductible is applied to the sum of all values listed in the most recent Schedule of Values on file with us for Buildings, Business Personal Property, Business Income and any other values for which coverage is provided under this policy related to each separately identifiable structure affected by loss or damage.

If the deductible is on a per Location basis, the deductible is applied to the sum of all values listed in the most recent Schedule of Values on file with us for Buildings, Business Personal Property, Business Income and any other values for which coverage is provided under this policy related to each separate Location affected by loss or damage.

If other **Insureds** or the **Named Insured** subsequently recover any sum from a third party in respect of such cause of action the **Named Insured** shall repay the corresponding amount to **Underwriters** hereon.

Notwithstanding the above, the reporting of any such **Claim** or **Loss** must be made during the **Policy Period** or Extended Reporting Period, if applicable.

- b) Whenever coverage under this **Policy** would be excluded, suspended, or lost because of the Insured Misconduct Exclusion, then such insurance as would otherwise be afforded under this **Policy** shall cover and be payable with respect to those **Insureds** who did not personally commit, personally participate in committing, personally acquiesce, or remain passive after having personal knowledge thereof, provided that that the **Insured** entitled to the benefit of this provision shall comply with Claims Conditions 2. - b) Extended Reporting Period

In the event of cancellation or non-renewal of this **Policy**, the **Named Insured** shall have the right, upon payment in full and not proportionally or otherwise in part of 100% of the premium specified in Item 4 of the Schedule, to notify the **Underwriters** in writing within thirty (30) days of such cancellation or non-renewal that it requires, and the **Underwriters** shall provide, an Extended Reporting Period of twelve (12) months commencing on the date of such cancellation or non-renewal in which to report any **Claim** first made during the **Policy Period** or **Loss** that is first discovered during the **Policy Period** and is otherwise covered by this **Policy**. 11 Change of Control

In the event of the **Named Insured's** acquisition by or merger into another entity, or the **Named Insured's** liquidation or dissolution, the **Named Insured** may notify the **Underwriters** within thirty (30) days of the actual change of control of the **Named Insured's** election for an Extended Reporting Period of twelve (12) months from the date of such change of control. - c) It is a condition precedent to the **Underwriters'** liability that the **Insured** shall not admit liability, make any payment, assume any obligations, incur any expense, enter into any settlement, stipulate to any judgment or award, or dispose of any **Claim** without the **Underwriters'** prior written consent. However, the prompt public admission of a **privacy breach** potentially impacting non-public personally identifiable information as required by governmental privacy legislation or credit card association operating requirements will not be considered as an admission of liability requiring the **Underwriters'** prior consent.

It is further agreed that service of process in such suit may be made upon the **Underwriters'** representative, designated in Item 10 of the Schedule, and that in any suit instituted against any one of them upon this contract the **Underwriters** will abide by the final decision of such court, or of any appellate court in the event of an appeal.
- b) The **Underwriters'** representative designated in Item 10 of the Schedule is authorized and directed to accept service of process on the **Underwriters'** behalf in any such suit and/or upon the **Named Insured's** request to give a written undertaking to the **Named Insured** that they will enter a general appearance upon the **Underwriters'** behalf in the event such a suit shall be instituted.
